

# Annual Activities Report & Audited Annual Financials Fiscal Year Ending: June 30, 2023

7 Saint Paul Street, Suite 940 Baltimore, MD 21202 (410) 625-0051 www.medco-corp.com

## **MEDCO BY THE NUMBERS**

<sup>\*</sup>Data inclusive of all projects from 1984 to June 30,2023

## **BOARD OF DIRECTORS AND OFFICERS**

#### Scott Dorsey, Chairman

Chairman and CEO, Merritt Properties, LLC. *Baltimore County* 

#### Richard Woo, Vice Chairman

Senior Vice President, Sandy Spring Bank *Montgomery County* 

#### Tehma Hallie Smith Wilson, Esq. Treasurer

Attorney, Law Office of Tehma H. Smith Wilson Owner, Invested Management, Inc. Co-Owner, Earth's Enrichments Baltimore City

#### **David Yungmann**

Member, County Council *Howard County* 

#### Michael Cottingham

President, Rommel USA *Talbot County* 

#### **Omar Karim**

President, Banneker Ventures Montgomery County

#### Jessica R. Underwood, Esq.

President, JR Capital Build Frederick County

#### Mary Ann Marbury

Anne Arundel County

#### Harry Shasho

Broker, Shasho Consulting, P.A. *Charles County* 

#### The Honorable J. Paul Wiedefeld (Ex-Officio)

Secretary, MD Department of Transportation

#### The Honorable Kevin A. Anderson (Ex-Officio)

Secretary, MD Department of Commerce

#### J. Thomas Sadowski

**Executive Director and Secretary** 

## **LEGISLATIVE PURPOSE**

The Maryland Economic Development Corporation (MEDCO) operates under the provisions of Title 10, Subtitle 1 of the Economic Development Article of the Annotated Code of Maryland.

MEDCO's legislative purposes are to relieve unemployment in the State; encourage an increase of business activity and commerce and a balanced economy; help retain and attract business activity and commerce; promote economic development; and promote the health, safety, right of gainful employment, and welfare of residents of Maryland.

The General Assembly intends that MEDCO operate and exercise its corporate powers in all areas of the State to: assist governmental units and State and local economic development agencies in order to contribute to the expansion, modernization, and retention of existing enterprises in the State, as well as attract new business to the State; cooperate with workforce investment boards, private industry councils, representatives of labor, and governmental units in maximizing new economic opportunities for residents of the State; and accomplish at least one of its legislative purposes and complement existing State marketing and financial assistance programs by owning projects, leasing projects to other persons, or lending the proceeds of bonds to other persons to finance the cost of acquiring or improving projects.

## **CORPORATE OVERVIEW**

MEDCO is staffed with 15 full-time employees and 2 consultants. MEDCO regularly meets with public/private economic development partners, residents, businesses, and prospective new businesses to address their needs for advisory services, construction, financing, real estate, and project development assistance. A significant portion of MEDCO's responsibilities include providing project management, compliance, and oversight services. MEDCO monitors its projects' compliance with the respective financing documents to ensure that current financial statements and other compliance documents are available, required benchmarks are achieved, and appropriate insurance requirements are met. MEDCO also collects and reviews financials of MEDCO-owned projects.

MEDCO structures its bond financing on a non-recourse basis. Repayment of MEDCO issued bonds is limited to the revenues and resources of the applicable project; neither MEDCO nor the State of Maryland or any of its agencies is responsible for the repayment of MEDCO issued bonds.

Additional information regarding MEDCO's services, projects, annual audited financials, current projects, Board Members, and Board Meeting Schedule can be found at <a href="https://www.medco-corp.com">www.medco-corp.com</a>.

## **MEDCO 2023: Year in Perspective**

The past year has been a productive one at the Maryland Economic Development Corporation (MEDCO) — with the introduction of new staff, implementation of an inaugural strategic plan, and most significantly, a return to more normalized conditions post-pandemic. New infrastructure and real estate development projects have "come off the page" and initiated construction, while planning discussions for new projects and financing opportunities have been robust despite the upward push on interest rates. More and more, MEDCO is being asked to help government partners address capital projects and facilitate construction needs to expedite completion at the most favorable long-term cost.

This past year saw a return to normal operations at Maryland's higher education institutions, where MEDCO owns and manages numerous student housing projects –totaling more than 9,500 beds. MEDCO's projects performed well over the fiscal year, reporting over 97% occupancy, with over half fully occupied. Further, while higher education institutions nationally have reported a decline in enrollments over the past few years, select Maryland institutions project an increase in enrollment activity. This increase has resulted in the need for more housing, to include graduate housing, and has led to planning for additional housing and mixed-use projects.

Proactive outreach and engagement with public and private economic development stakeholders has led to enhanced awareness of the organization's capabilities. In turn, MEDCO has been invited to participate in several important legislative initiatives. For example, state capital grant resources were once again allocated to MEDCO to facilitate construction of Secured Compartmentalized Information Facilities (SCIF) in Southern Maryland. The \$2.5 million of SCIF funding helped secure an additional \$7 million to \$8 million from federal, private, and non-profit partners, leading to stronger business ties with military tenants at Pax River Naval Air station and Indian Head installations. Going forward, the intent of this program is to use each capital grant dollar as a way to generate an additional 4 to 5 dollars in new investment matches by strategic partners. Further, SCIF projects in the region will lead to the creation of over 200 new jobs as well as new business and collaboration opportunities for area contractors, higher education institutions, and small businesses alike.

Keeping the focus in Southern Maryland, St. Mary's County is utilizing MEDCO's consulting services to do site analysis work on approximately 14 acres of County-owned land, located on the west end of their regional AeroPark Innovation District. This land is targeted for hangar and industrial flex building development.

After MEDCO submitted a comprehensive report in 2022 assessing the feasibility of acquiring and improving Laurel Park Racetrack for the benefit of Maryland's horse racing, breeding, and training industries, SB720 was passed during the 2023 legislative session, creating the new Maryland Thoroughbred Racetrack Operating Authority (MTROA). This legislation enabled MEDCO to serve as board member and work directly with the Maryland Stadium Authority and horse industry stakeholders to help shape the future of horse racing, training, and breeding operations in Maryland, with a particular focus on the improvement of Pimlico Racetrack, the home of the Preakness.

In response to voter approval of adult-use cannabis legalization (Question 4 on the 2022 ballot), the Maryland General Assembly passed House Bill 556 and Senate Bill 516, which develops a framework for Adult-Use Cannabis Sales. The legislation further authorizes the Maryland Cannabis Administration to issue additional grower, processor, and dispensary licenses, as well as new incubator licenses, over two licensing rounds. As part of this effort, MEDCO was tasked to assist by working with select County and City partners to help identify sites for proposed cannabis incubator space, to assist prospective licensees learn the process of growing, selling, and distributing cannabis, with a strategic focus on minority enterprise.

In 2023, MEDCO worked on projects with state, local or municipal government partners aimed at facilitating major infrastructure improvements, to include municipal garages, road, and transit projects. MEDCO also teamed with local economic development organizations, workforce investment boards, and other community partners in pursuit of federal grant assistance to advance several key economic development initiatives, ranging from new cyber workforce development programs, quantum innovation centers and enhancement of regional transportation services. MEDCO further initiated conversations with state and local partners, along with the U.S. military and federal agency representatives, aimed at better utilization of federal assets throughout Maryland. The goal of this effort is two-fold:

- Help foster partnerships with industry and public/private universities to enhance the states research enterprise and grow our innovation economy,
- o Identify and leverage sites offering significant redevelopment potential for community reinvestment, development, or strategic industry growth.

In 2023, MEDCO continued to support state, local and municipal partners in delivering critical and key capital projects. The following is a summary of those efforts:

- O Bond financing of more than \$70 million to fund demolition, design, engineering, and construction costs of the new 165-space Hillman Garage in the City of Annapolis. The project helped solve significant storm water management and flooding issues in the City, as well as provided revenue to address pre-development costs associated with the new \$88 million City Dock project.
- Oversee, as developer, the construction of a 605 bed, 12 story student housing project at Morgan State University in support of the University's continued enrollment growth. This project is the second phase of a multi-phase project on the University's South campus.
- O Coordinate the design, construction, IT system migration and management of the Prince George's County, Maryland-National Capital Park and Planning Commission's Planning Department relocation to their newly acquired headquarters in Largo Maryland. The facility will undergo renovations and install new finishes for over 300+ staff.
- In collaboration with the Maryland Transportation Authority, Maryland Department of Transit and Anne Arundel County, perform project development and management of an approximately 1,000 space parking garage proximal to the Odenton MARC train station. The intent of this project is to consolidate current surface area parking into a structured garage and provide adequate land for mixed use, transit-oriented development.

The Executive Director and staff continue to connect with key public/private stakeholders regularly to enhance awareness of MEDCO capabilities and determine how MEDCO can help achieve their strategic objectives, particularly in today's tight budgetary times. Working in close coordination with the MEDCO board of directors, outreach efforts are guided by the organization's first strategic plan. This plan emphasizes the intentional use of MEDCO resources to better accomplish the following:

- Target industry development; working more strategically with the Maryland Department of Commerce to help grow the State of Maryland's economy in areas of high economic potential and return.
- o Innovation capacity development; partnering with Maryland's federal facilities and higher education institutions to enhance Maryland's economic competitiveness and overall performance.

- O Support inclusive and equitable economic growth; working with state and local partners to address their goals and the needs of underserved populations and their communities.
- Strategic placemaking; utilizing MEDCO's full capabilities to provide the right infrastructure, development, and amenities to facilitate sustainable, transformative, and equitable economic growth statewide.

In every case, MEDCO and the members of its team conducts its business throughout the state, guided by the following core values:

- o Equity
- o Integrity
- Community
- Excellence

#### **BOND FINANCED PROJECTS IN FY 2023**

MEDCO's bond financed projects encourage business growth, , relieve unemployment, promote the welfare of State residents, and generally foster economic development in Maryland. For the fiscal year ending June 30, 2023, MEDCO provided new bond financing for the following projects:

## **Annapolis Mobility and Resilience Project Series 2022**

\$70,755,000

\$45,630,000 Maryland Economic Development Corporation Economic Development Revenue Bonds (Annapolis Mobility and Resilience Project) Series 2022A (Tax-Exempt)

■ Interest Rate: 5.00% - 5.25%

Longest Maturity: June 30, 2053

\$17,875,000 Maryland Economic Development Corporation Economic Development Revenue Bonds (Annapolis Mobility and Resilience Project) Series 2022B (Taxable)\*

Interest Rate: 7.25%Maturity: June 30, 2053

\$2,350,000 Maryland Economic Development Corporation Economic Development Revenue Bonds (Annapolis Mobility and Resilience Project) Series 2022C (Taxable)\*

Interest Rate: 0.00%Maturity: June 30, 2053

\$4,900,000 Maryland Economic Development Corporation Economic Development Revenue Bonds (Annapolis Mobility and Resilience Project) Series 2022D (Taxable)\*

Interest Rate: 0.00%Maturity: June 30, 2053

\*Redeemed February 7, 2023

On September 8, 2022, MEDCO issued its non-recourse, tax-exempt and taxable bonds to finance or reimburse a portion of the costs of a project consisting of (a)(i) the demolition of the legacy Hillman Garage and the development, design and construction of a new parking garage in the City of Annapolis to be located in the place of the legacy Hillman Garage and (ii) the provision of temporary mobility service during construction, (b) the funding of a concession payment to the City of Annapolis, (c) the funding of the City Dock Pre-Development costs, (c) the funding of reserve funds, (d) capitalized interest and (e) cost of issuance and other transaction costs in connection with the bonds.

## Morgan State University Student Housing Bonds Series 2022A

\$113,520,000

Maryland Economic Development Corporation Senior Student Housing Revenue Bonds (Morgan State University Project) Series 2022A

■ Interest Rates: 5.25% - 6.080%

Longest Maturity: July 1, 2058

On November 9, 2022, MEDCO issued its non-recourse, tax-exempt bonds to (a) pay the costs of constructing, furnishing and equipping an additional 604-bed student housing facility on land located in Baltimore City and leased to MEDCO by the State of Maryland for the use of Morgan State

University, (b) pay the interest expected to accrue on the bonds through construction and initial operation and certain other charges, (c) pay cost of issuance of the bonds and other transaction costs.

For the fiscal year ending June 30, 2023, MEDCO modified and reissued bonds for the following projects:

Maryland Economic Development Corporation Revenue Bonds (The Arc of Prince George's County) Series 2011 – reissued on July 29, 2022

Maryland Economic Development Corporation Economic Development Revenue Refunding Bonds (United States Pharmacopeial Convention Project) Series 2012 – reissued August 15, 2022

Maryland Economic Development Corporation Adjustable Mode Revenue Refunding Bonds (Constellation Energy Group, Inc. Project) Series 2006B (Non-AMT) – reissued and reoffered April 3, 2023

Maryland Economic Development Corporation Revenue Bonds (PRG-Towson Place Properties L.L.C. Project) Series 2017A (2022 Reissuance)—reissued September 26, 2022, March 24, 2023 and July 26, 2023

Maryland Economic Development Corporation Economic Development Revenue Bonds (Hospice of the Chesapeake Project) Series 2013 – reissued October 18, 2022

#### STUDENT HOUSING PROJECTS

MEDCO provides assistance to Maryland's higher education entities through bond financing and ownership of student housing projects, enabling Maryland's higher education entities to attract and house students without adversely affecting their State-mandated debt capacities.

MEDCO assumes project ownership of student housing projects by way of ground leases that terminate contemporaneously with the repayment of the MEDCO-issued bonds used to finance the project. Upon repayment of the bonds, ownership reverts to the ground lessor.

The following are the outstanding balances as of June 30, 2023, of the MEDCO bonds that financed student housing projects:

Projects that revert to the University System of Maryland upon repayment:

Bowie State University (Christa McAuliffe Center), Prince George's County \$11,065,000 - 460 beds

Bowie State University (Entrepreneurship Living Learning Center), *Prince George's County* – \$44,455,000 – 557 beds

Frostburg State University, Allegany County - \$9,920,000 - 406 beds

**Salisbury University,** *Wicomico County* - \$14,870,000 - 890 beds

**Towson University,** *Baltimore County* \$34,235,000 - 1,088 beds

University of Maryland, *Baltimore*, *Baltimore City* - \$21,625,000 - 337 beds

University of Maryland, Baltimore County, Baltimore County - \$14,030,000 -578 beds

University of Maryland, College Park, Prince George's County - \$104,265,000 - 2,899 beds

Projects that revert to Capitol Technology University Foundation upon repayment:

Capitol Technology University, Prince George's County - \$11,770,925-222 beds

Projects that revert to Morgan State University upon repayment:

Morgan State University (Morgan View), *Baltimore City* - \$20,895,000 - 794 beds

Morgan State University (Thurgood Marshall Hall), *Baltimore City* - \$80,825,000 - 670 beds\*

\* opened in August 2022

Projects that revert to Sheppard Pratt Health Systems upon repayment:

University Village at Sheppard Pratt, Baltimore County - \$14,495,000 - 615 beds

#### PORTFOLIO PROJECT UPDATES

MEDCO assists governmental units as well as state and local economic development agencies by providing coordination of capital improvements and operational management support.

## National Cybersecurity Center of Excellence (NCCOE)

The NCCoE, a program dedicated to furthering innovation through the rapid identification, integration, and adoption of practical cybersecurity solutions, was established in 2012 through a partnership and Memorandum of Understanding between the National Institute of Standards and Technologies (NIST), the Maryland Department of Commerce (Commerce), and Montgomery County's Department of Economic Development (Montgomery County). In 2013, Commerce and Montgomery County requested MEDCO's assistance to redevelop a 57,000 square foot Shady Grove biology and information technology facility, located at 9700 Great Seneca Highway, Rockville, to accommodate an off-campus facility for the NCCoE. To complete the project, MEDCO worked with Montgomery County to amend certain agreements for the facility, engage an architecture firm to create a redevelopment plan, secure redevelopment funding, and oversee the facility's redevelopment. In December 2015 MEDCO completed the approximately \$11,000,000 renovation.

The NCCoE is part of the NIST Information Technology Laboratory and operates in close collaboration with NIST's Computer Security Division. The NCCoE integrates commercially available technologies to build practical cybersecurity solutions that can be rapidly applied to real challenges facing businesses. The off-campus facility is used to attract private companies to collaborate on advanced, innovative solutions for private sector cybersecurity needs.

In early 2021, MEDCO and Montgomery County finalized the transfer of land and property (including the facility) from MEDCO to Montgomery County by way of terminating an existing ground lease and assigning the facility to Montgomery County. MEDCO transferred its interest in the existing license agreement by and between MEDCO and NIST to Montgomery County as part of the transfer of land and property ownership. For the benefit of Montgomery County and NCCoE, MEDCO agreed to continue managing the facility and coordinate capital improvements and repairs with NIST through a management agreement with Montgomery County.

Since the completion of renovations, MEDCO, in coordination with NIST, has continued to support the facility by providing ongoing operational management services and capital improvements, including:

- Major upgrade to one of the data rooms, nearly doubling the facility's data storage and computing capabilities (2017)
- Upgrades to the building's exterior lighting and parking lot (2018)

- Landscaping improvements (2020 2021)
- Reevaluation of and new agreements with HVAC and fire suppression vendor (2021)
- Reviewing and evaluating Generator replacement and parking lot repairs (2022)

MEDCO's role as manager of the NCCoE is projected to terminate at the end of September 2023, at which time the County and NIST will coordinate ongoing management of the facility.

## **Maryland State Archives**

In 2014, MEDCO issued its non-recourse, tax-exempt revenue bonds in the amount of \$9,200,000 and used the bond proceeds, along with \$2,300,000 of MEDCO funds, to acquire approximately 5.9 acres in Baltimore County located at 2255 Rolling Run Drive, Woodlawn, which contained a 134,240 square foot building previously used by the Social Security Administration for records retention. The facility is leased to the Maryland State Archives (MSA), which uses the property for specialty storage units, State records, artistic property, and data management devices. Through the Project, MSA has been able to consolidate its operations from three separate leased facilities, while benefitting from the building's environmental controls.

MEDCO owns the Project and entered into an Intergovernmental Lease Agreement with MSA for an initial fifteen-year term with the option to renew for up to 2 additional ten-year terms. MSA makes monthly payments to MEDCO, as required by the Lease, which repay the outstanding debt service and MEDCO's contribution. In addition to Lease Payments, MSA pays operating expenses associated with the Project.

MEDCO continues to make renovations to the Project to improve and accommodate MSA's archival storage, restoration, and preservation efforts, including:

- Overhaul of the HVAC system, including roof top cooling units (2017)
- New roofing system (2017)
- Addition of a back-up generator (2017)
- Reconfiguration and refinishing two stories of office space (2017)
- Installation of specialty signage (2017)

- Painted exterior envelope of the building (2017)
- Upgraded interior lighting system to more energy efficient LEDs (2018)
- Reevaluated and signed new HVAC and fire suppression vendor (2020)
- Updated the facilities Server and Firewall protection through CAS Severn (2021)

## Maryland State Health Lab, Department of Health Building

In 2011 MEDCO issued its non-recourse, tax-exempt revenue bonds in the amount of \$170,910,000 and used the bond proceeds to acquire a parcel in Baltimore City formerly known as 1746 Ashland Avenue, and to build an approximately 235,000 square foot, state-of-the-art public health laboratory for the State of Maryland's Department of Health. In 2021, MEDCO issued a new series of bonds to refund the 2011 bond series and achieve debt service savings for the Maryland Department of Health. The project enabled the Department of Health to expand its services, move labs from outdated facilities, and provide infrastructure resiliencies and redundancies necessary to maintain Center for Disease Control credentials. The project is used by the Department of Health for various health-related activities and other critical lab testing essential for public health.

MEDCO owns the project and entered into a Lease Agreement with the Department of Health for an initial twenty-year term with the option to renew for 3 subsequent, but immediately consecutive additional ten-year periods. The Department of Health makes monthly lease payments to MEDCO, which pay for operating expenses for the building, as well as an annual debt service payment for the MEDCO-issued bonds.

MEDCO continues to accommodate the Department of Health's ongoing operations by holding and coordinating various contracts for the building, including:

- Facilities management contract with a third-party vendor
- Security and building automation system contracts with a third-party vendor

- Telecommunications and internet service contracts
- Window warranty replacement efforts

## University of Maryland, College Park Energy Project

In 2001 MEDCO issued bonds for the University of Maryland, College Park Energy Project to construct, acquire, improve, and operate certain heating, cooling, electric distribution, and electric generating facilities on the campus of the University of Maryland, College Park (UMCP) as part of a program to provide steam, electricity, and chilled water services throughout campus. The 2001 Bonds were refunded in 2011 through the issuance of additional bonds to achieve debt service payment savings for the University of Maryland, College Park. The UMCP Energy Project is primarily comprised of a central utility plant with two steam boilers and four satellite central utility buildings throughout the UMCP campus. Throughout the life of the bonds, MEDCO retained ownership of the project pursuant to a Ground Lease with the University System of Maryland (USM), held the operating agreement for the project and coordinated improvements to the utility infrastructure program in consultation and coordination with the University of Maryland, College Park.

The 2011 Bonds were paid off in July 2019 and, MEDCO continues to manage the project pursuant to the original project ground lease, an Interim Management, Operation, and Maintenance Agreement between MEDCO and College Park Energy, LLC, as well as an Interim Energy System Services Agreement between MEDCO and UMCP. MEDCO's current role at the project is to oversee annual audited financials, coordinate third party engineering reviews of key repairs and replacements, managing the operator's contract to manage and operate the plant, and working as a liaison between UMCP and College Park Energy, LLC.

## OTHER FINANCED PROJECTS

## **Maryland Center for Construction Education and Innovation**

In September 2016, MEDCO extended a one-time bridge loan to the Maryland Center for Construction Education and Innovation (MCCEI), an industry-led workforce intermediary established to create a world-class education system for Maryland's construction industry. The bridge loan, not exceeding \$200,000, bears interest at 4% on the outstanding loan amount. MCCEI utilizes the funding to support its operational goals of ensuring Maryland's education system meets construction industry demand; raising awareness of career opportunities in construction; creating a new paradigm for construction professionals at all education levels; and creating a network for Maryland's fragmented construction industry to include training, education, and other resources for career seekers, training providers, the industry, and governmental leaders. As of June 30, 2023, the MCCEI loan had an outstanding principal balance of \$50,000.

## **Firefly Farms**

On August 20, 2019, MEDCO purchased 1,000 shares of preferred stock at the value of \$100.00 per share from FireFly Farms, Inc., a Maryland corporation. Firefly Farms, located in Garrett County, Maryland, produces handmade goat cheese without the use of additives, preservatives, or stabilizers. Firefly Farms sources all its goat milk from family farms within 30-miles of the creamery. With equity investment, Firefly Farms will finance the cost of product development, working capital, and acquisition or leasing of capital improvements with growth and expansion plans to add additional retail locations and employees. As of June 30, 2023, MEDCO had \$75,000.00 invested in preferred stock with FireFly Farms.

## **DEVELOPMENT and CONSTRUCTION**

## **Odenton Garage**

The Maryland Transit Administration, the Maryland Department of Transportation, and Anne Arundel County have engaged MEDCO in overseeing and coordinating efforts related to the design, development, construction, and management of a 1,000+ stall parking garage and associated public improvements to be located adjacent to the current Odenton MARC train station. The project will be funded by a combination of County tax increment financing (TIF) bond funds and housing and urban development (HUD) funds. The project will include pedestrian and bike pathway improvements as well as infrastructure improvements, and is intended to consolidate surface parking spaces to open land for future transit-oriented development near the station. MEDCO continues to work with the State and the County on designing the project and coordinating design approach with local planning requirements.

## Morgan State University Legacy Hall

In the fall of 2022, Thurgood Marshall Hall, a 670-bed student housing project developed by MEDCO and located on Morgan State University's south campus, opened for occupancy. Thurgood Marshall Hall was designed with the idea of an additional 600 bed student housing project to be added to it sometime in the future. Due to record breaking enrollment and the demand for additional student housing, Morgan State University has engaged MEDCO to finance, design, develop and construct the additional 600 bed student housing project named "Legacy Hall", which will contain historic facts and details of Morgan's impressive history as an institution. Legacy Hall is currently under construction and is scheduled to open for students in the fall of 2024.

## M-NCPPC Planning Largo Headquarters

The Planning Department of the Prince George's County Maryland- National Capital Parks and Planning Commission (M-NCPPC) has engaged MEDCO to advise on the suitability of acquiring a new location for its headquarters, and to hire design and construction firms to provide services in undertaking the improvement and fit out of the acquired headquarters space in Prince George's County.

MEDCO is currently coordinating design efforts, obtaining permitting and engaging construction efforts for the renovation of interior office space to accommodate M-NCPPC's Prince George's County headquarters location.

#### DEPARTMENT OF COMMERCE

MEDCO partners with the Department of Commerce (Commerce) by utilizing Commerce's One Maryland Tax Credit and Advantage Maryland (MEDAAF) to develop flex buildings and business parks.

## Barton Farms Business Park, Allegany County

Developed by MEDCO and located south of Cumberland on US Route 220, the project initially included land acquisition, permitting, utility installation, and site preparation. Throughout the project's lifespan, MEDCO has sold parts of the property: in 2004, American Woodmark Corporation purchased approximately 40 acres; in 2015, Allegany County purchased approximately 27.5 acres and constructed a flex building to attract businesses to the project. MEDCO, Allegany County, and Commerce continue to market the remaining property to technology-based businesses looking to relocate to the Western Maryland region.

## Pocomoke Flex Building, Worchester County

Constructed by MEDCO in 2002, the Pocomoke Flex Building is a 43,000 square foot industrial shell that provides marketable flex space in Worchester County. In 2006, Mid-Atlantic Institute for Space and Technology (MIST) master leased the entire building. In 2007, MIST and MEDCO were awarded a \$200,000 EDA grant, providing for interior improvements to expand existing workspace. In February 2012, MIST relinquished its master lease of the facility. In June 2015, MEDCO master leased the entire facility to Hardwire, LLC for a ten-year term. Hardwire, LLC, a leading manufacturer of protective armor used by the military and other consumers, utilizes the building to expand its manufacturing capabilities and workspace, and has an option to purchase the building at the end of the lease term.

## Patuxent Business Park, Calvert County

In 2000, with Commerce financing, MEDCO purchased approximately 92 acres to develop a business park in Calvert County. The park was designed for Class A office and flex space. In 2005, MEDCO secured additional Commerce funding for the ongoing costs of engineering, design, permitting, and infrastructure. In 2016, Dominion Cove Point LNG purchased Lot 6 of the park and constructed an approximately 20,000 square foot office and warehouse building and a helicopter pad, furthering Dominion's liquid natural gas initiatives in Calvert County.

In 2019, Dominion purchased Lot 5 with the intent of developing that site for additional office and warehouse space. In 2020, Lot 11 sold to a developer to develop a flex building on the site and attract businesses to Calvert County. In 2021, the commercial broker brought Lots 7, 8 and 12 under contract, with the potential for full sale after due diligence investigations by buyers have concluded. Lot 12

contract was terminated within the given contingency period by the potential buyer. The feasibility study on lots 7 and 8 was extended until November 2022. After the feasibility study concluded in November 2022 the buyer was not able to move forward and a mutual release of contract was signed in December 2022. MEDCO and the commercial broker continue to work with Calvert County in marketing remaining lots to interested buyers.

## McHenry-Garrett County Flex Building, Garrett County

At the request of the Garrett County Commissioners, in 2019, MEDCO applied for and received \$2,000,000 in MEDAAF funds to pay for site improvements and building construction for a 20,000 square foot flexible use facility within the McHenry Business Park, located in Garrett County. The facility was completed in 2020 and is marketed to new and expanding businesses in the Garrett County region. MEDCO works with Garrett County and the Maryland Department of Commerce to market the remaining portions of the facility.

In December 2020, at the request of Garrett County, MEDCO agreed to utilize the facility as a drive-through COVID testing site.

In late 2021 extending into early 2022, MEDCO leased the facility to Total Biz to use as seasonal storage.

In early 2023 Garrett County expressed interest in purchasing the building from the Maryland Department of Commerce for \$1,500,000.00. In March 2023, the Maryland Department of Commerce agreed to the sale and set a closing date of May 31, 2023. MEDCO transferred all current operational contracts and agreements over to Garrett County on the closing date.

## **ACTIVE FINANCED PROJECTS**

Since its inception in 1984, MEDCO has provided bond financing for hundreds of projects. Below is a list of MEDCO's active financed projects as of June 30, 2023:

## **MEDCO Owned Bond Financed Projects**

- Laboratory for Telecommunications
   Science Facility Series 2003
- Chesapeake Resort and Conference Center Series 2006
- Salisbury University Series 2012
- Sheppard University Series 2012
- Towson University Series 2012
- Salisbury University Series 2013
- Frostburg State University Series 2013
- Maryland State Archives Series 2014
- Bowie State University Series 2015
- University of Maryland, Baltimore Series 2015
- University of Maryland, College Park Series 2016
- University of Maryland, Baltimore County Series 2016

- Metro Centre at Owings Mills Series 2017
- Towson University Series 2017
- Capitol Technology University Series 2017
- Baltimore City Garages Series 2018
- University of Maryland, College Park Child Care Facility Project, Series 2019
- Bowie State University Series 2020
- Morgan State University Series 2020
- Maryland Public Health Laboratory Series 2021
- Morgan State University Series 2022
- Morgan State University Series 2022A
- Annapolis Mobility and Resilience Project Series 2022<sup>1</sup>

## **Conduit Bond Financed Projects**

# MINORITY, SMALL, WOMEN, AND DISADVANTAGED BUSINESS ENTERPRISE (MBE, SBE, WBE, DBE) PARTICIPATION

MEDCO promotes economic development in the State by purchasing supplies and services from entities that operate within the State. While most of MEDCO's projects are privately funded, MEDCO complies with applicable minority business enterprise requirements for projects that involve governmental funding sources. During the fiscal year ending June 30, 2023, MEDCO purchased goods and services pertaining to operation, administration, and procurement from the following MBE, WBE, SBE, and DBE businesses:

HR Strategy Group (MBE, SBE, & DBE) \$2,750.00
Consulting / Policy review
Curry Printing and Copy Center
(WBE) \$165.00
Printing and business cards
The Verve Partnership (MBE, SBE, DBE)
\$9,245.32
Redesigning current workspace and plans for future build out space
Fivel Company 2
\$211.10
HR Consulting

Fovndry (MBE, SBE, DBE) \$24,588.75 Redesigning MEDCO's website/logo M. L. Whelley Consulting (WBE, SBE, DBE) \$91,500.00 Consulting / Connecting MEDCO with potential projects Blended Public Affairs, L.L.C. <sup>3</sup> \$32,000 Government affairs consulting

During FY23, MEDCO's development projects purchased goods and services pertaining to development, design, operation, administration, and procurement from MBE, WBE, SBE, and DBE businesses, pursuant to requirements set forth in the projects' bond documents. These projects included:

#### **Odenton Garage**

Accurate Infrastructure Data (SBE/WBE/MBE) was paid \$45,000.00 for site survey work; Buildview (SBE) was paid \$20,580.00 for camera services at the project site; and Lenhart Traffic Consulting (SBE) was paid \$13,193.75 for consulting work on the project.

#### Maryland-National Capital Park and Planning Commission (MNCPPC)

Spatially Speaking (DBE/MBE/SBE) was paid \$55,258.05 for move management consulting work on the project; and Integrity Title (DBE, MBE, SBE) was paid \$4,855.00 for title exam fee / title abstract fees. This ongoing project is currently on track to exceed 35% inclusion upon completion.

<sup>&</sup>lt;sup>2</sup> Identified WBE, SBE that is not registered with the MDOT MBE program

<sup>&</sup>lt;sup>3</sup> Identified MBE, SBE, WBE, DBE that is not registered with the MDOT MBE program

#### Morgan State University, Thurgood Marshall Hall Phase I

Construction of Thurgood Marshall Hall, a 600-bed student housing project and dining center located at Morgan State University, began in November 2020, and was completed in time for the Fall 2022 semester. Final touches are being completed to the building early FY24, the project is contracted out to achieve approximately 32% inclusion exceeding the 30% target goal, an amount expected to be approximately \$30.7 Million.

#### Maryland Cannabis Reform Bill

Resulting from House Bill 556 and Senate Bill 516, MEDCO is identifying sites (including those that may be converted) for proposed use as an incubator space. This legislation includes criteria for applicants to obtain licenses to utilize the incubator space, with emphasis on social equity- for example, to implement free technical assistance for social equity and minority cannabis business applicants, produce reports and recommendations on diversity and equity in ownership, management, and employment in the legal cannabis economy, and assist business with obtaining financing. All of which allows MEDCO to directly promote goals to address the disproportionately impacted communities. The data should become quantifiable once the incubator space is developed.

In FY23, under certain circumstances MEDCO was occasionally required to make purchases on behalf of our projects. In turn, the projects directly reimburse MEDCO. While these businesses are not officially registered with MDOT, the appropriate MBE, WBE, SBE, and DBE businesses are as follows:

#### **Advanced Thermal Solutions** (MBE)

\$640

Maryland State Archives

#### Bingham Arbitrage Rebate Services, Inc. (WBE, SBE)

\$1,000

Bingham is used across an array of projects at MEDCO Certified WBENC and SWAM certified

#### Brailsford & Dunlavey (MBE)

\$135,615

Morgan State University feasibility studies

#### Kinetix (SBE)

\$12,050

Services utilized for various projects

#### Randall Business Interiors, Inc. (WBE, SBE)

\$336,863

#### MNCPPC HQ

Snap Gardeners (WBE, SBE) \$19,300 Patuxent Business Park

Waterspiel Hospitality (WBE, SBE) \$133,216.29 Chesapeake Hyatt

MEDCO strongly encourages and supports the initiative of partnering with minority, small, women, and disadvantaged business enterprises. Furthermore, the diversity, equity, and inclusion activity is not limited to the businesses mentioned above. MEDCO helps facilitate this activity through third party engagements which includes significant MBE, SBE, WBE, and DBE participation. Thus, MEDCO actively promotes an equitable and inclusive environment for all businesses in Maryland and surrounding areas.

#### Other MBE Participation:

MEDCO staff attend MBE networking and procurement events. MEDCO also utilizes the Governors' Office of Minority Affairs and other directories for event, vendor, and service information.

#### **MBE Memberships:**

- Member Maryland Washington Minority Companies Association since 2012
- Member Maryland Minority Contractors Association since 2012

## **Project Classification Report 2023**

MEDCO's loan classification policy, adopted in 2013, characterizes projects as "Performing", "Watch", or "Non-Performing." The following projects, where MEDCO was either the issuer or owner, were classified as either Non-Performing or Watch during Fiscal Year 2021 (and as updated after June 30, 2023, as indicated below):

## **Chesapeake Resort and Conference Center**

Status: Non-Performing

The Chesapeake Bay Conference Center (CBCC) began suffering losses during the 2008 economic downturn. The project was formerly classified as "Watch" in 2010, when the project failed to achieve the required minimum required Debt Service Coverage Ratio of 1.25. However, the project was reclassified as "Non-Performing" in 2014 after the June Debt Service payment was only partially made.

Results and operations for FY21 were significantly impacted by COVID-19. Almost all large group business cancelled, and the large group segment has yet to recover. Though a vaccine for the COVID-19 virus was available for all individuals over the age of twelve, meeting planners were reluctant to conduct meetings for large groups. However, CBCC's transient business has been very robust, and business, at times, was at record levels. All the project's operating expenses were paid, and a partial interest payment of \$1,800,000 was made on June 1, 2021.

MEDCO continues to work collaboratively with the Project's bondholders, who have shown flexibility in assuring there is sufficient cash to sustain the operations. In December 2021, the investors entered into a Second Amendment to Forbearance Agreement to continue to fund operations through June 2022. Six-month forbearance agreements have been extended in the past and MEDCO believes the investors will extend again through the end of the 2023 fiscal year.

Revenue for FY22 continued to increase post-pandemic due to pent-up travel demand and increase in group bookings and "rebooks" from the pandemic period. Increased travel demand resulted in occupancy levels not seen at the resort since 2008, driving the average daily room rate to record levels. Staffing was increased to handle the additional business which, along with supply chain issues and inflation, did increase operating costs. Even with the increased demand, however, revenues remained below levels necessary for full debt-service payments. All the project's operating expenses are being paid, and additional interest payments totaling \$3,808,875 were made toward interest payments that were not made in prior years.

While MEDCO anticipates improved performance for FY23 due to strong management and growing group sales activity, the Project's performance will remain below the level of revenues necessary to fully fund all debt obligations. The debt is held by institutional investors who, as reported above, have continued to provide support to the operations, which MEDCO expects to continue. MEDCO expects all the operational expenses to be paid in accordance with the terms of the forbearance agreement.

Phase one construction of new residential development around the River Marsh golf course began in April 2022. As many as 600+ new units are proposed once development agreements are finalized between the developers, bond holders and MEDCO. Impacts of new home development and the influx of new residents are expected to be very positive for the resort in the future. Installation of a new MEDCO-sponsored golf simulator at the River Marsh clubhouse was near

completion at the end of FY22, and is expected to generate revenues and help attract additional group sales for the resort during both peak and off-season months throughout the year.

# 929 N. Wolfe Street, LLC Project Series 2014 A, Series 2014 B-1 (Tax-Exempt), Series 2014 B-2 (Taxable)

Status: Performing (Reclassified September 2022)

The 929 North Wolfe Street, LLC Project (Project), a conduit project, was classified as "Watch" in June 2019 when the Project failed to meet the Debt Service Coverage Ratio of 1.20 as required by the financing documents. Per the Loan Agreement, Debt Service Coverage Ratio below 1.20x does not constitute an Event of Default; however, two consecutive years of Debt Service Coverage Ratio below 1.20x will constitute an Event of Default. East Baltimore Development, Inc. (EBDI), the borrower, has taken measures to improve the Project's financial performance, including hiring a management consultant to evaluate the Project, hiring a financial advisor, and replacing the Project's former manager, Greystar, with another reputable third-party housing manager. Despite EBDI's efforts, the Project failed to meet the Debt Service Coverage Ratio for a second consecutive year and did not make required payments under the Agreement to Make Payments Agreement (PILOT payments) and subsequently entered into a forbearance agreement, as amended, with the bondholders.

In August 2021, the Project was reclassified as "Non-Performing." The Project was under a forbearance agreement, as amended, through December 31, 2021. Pursuant to the forbearance agreement, the bondholders agreed to forbear from exercising their rights and remedies under the financing documents related to the Debt Service Coverage Ratio Event of Default. Additionally, the bondholders agreed to forbear from exercising their rights and remedies due to non-payment of certain principal payment commending December 1, 2020, through December 31, 2021

The bondholders approached MEDCO expressing a desire to restructure bonds given improved operating performance in recent years; however, COVID-related pressures made restructuring challenging. MEDCO continued to work with EBDI and the bondholders to monitor the Project's performance and explore solutions to return the Project to performing status.

The 929 N. Wolfe Street, LLC Project was refinanced on January 31, 2022, through MEDCO's issuance of its 929 N. Wolfe Street LLC Maryland Economic Development Corporation Tax-Exempt Revenue Bonds Series 2022 A (Tax-Exempt) and Series 2022 B (Taxable). The proceeds of the 2022A and 2022B bonds, together with other funds, were applied to (a) refund all of the MEDCO's outstanding 929 N. Wolfe Street, LLC Project Series 2014 bonds, and (b) finance or refinance (i) the payment of certain past-due contractual payment obligations with respect to the project, (ii) the repayment of certain advances made to cover the project's operating shortfalls, (iii) the payment of a termination fee with respect to an interest rate swap, (iv) the payment of past-due accounts payable, (v) certain other necessary and useful capital improvements and expenditures, (vi) certain costs related to the issuance of the bonds, and (vii) the funding of certain reserve funds and other related eligible costs.

The 929 N. Wolfe Street, LLC Project was reclassified as "Performing" as of September 2022.

## **Baltimore City Garage Project**

Status: Performing (Reclassified September 2022)

The Baltimore City Garage project (Project) was classified as "Watch" on July 15, 2020, when the rating on the Series 2018A and Series 2018B bonds was downgraded by S&P from BBB stable to BB- negative, and the rating on the Series 2018C bonds was downgraded by S&P from BBB-stable to BB- negative. The Governor's stay-at-home mandate beginning in March 2020 dramatically impacted transient parking revenues across Baltimore City and caused a drop in monthly parking customers. As some areas of the economy have started to reopen, MEDCO has seen a slight uptick in parking revenues, but expects recovery to be slow. For FY 20, the Project did not meet the Project's required coverage ratio and MEDCO engaged a parking consultant in accordance with the bond documents. For FY 21, the Project did not meet the Project's required coverage ratio and MEDCO engaged a parking consultant in accordance with the bond documents. MEDCO continued to meet regularly with the manager and closely monitored the performance of the Project. Since the State of Maryland entered stage 3 of the Governor's Maryland Strong: Roadmap to Recovery in May 2021, MEDCO has seen a promising increase in business at the garages

In FY 22, the Project saw an uptick in business as both monthly and transient business returned to Baltimore's central business district and the inner harbor. Transient business greatly improved as more conferences were held at the Baltimore Convention Center. With the return to full capacity seating at Oriole Park at Camden Yards and M&T Bank Stadium, transient business from the sports fans also returned. MEDCO anticipates the Project will meet its required FY 22 coverage ratio requirement and there will be no need for MEDCO to engage a parking consultant for FY 22.

The Baltimore City Project was reclassified as "Performing" as of September 2022.

## Purple Line Light Rail

Status: Performing (Reclassified September 2022)

The Purple Line Light Rail (Purple Line), a conduit project, was classified as "Watch" in August 2020 when disputes regarding project delays and budget between the Maryland Department of Transportation (MDOT) and Purple Line Transit Partners (PLTP), the concessionaire, escalated and PLTP gave notice of its intent to terminate its agreement with the State of Maryland (State). The State remained committed to Purple Line completion, however. In September 2020, MDOT requested MEDCO assist MDOT by providing financial, consulting, and related services to MDOT in support of the Purple Line. In February 2021, MEDCO entered into a Financial Transaction Advisor Contract with Ernst & Young Infrastructure Advisors, LLC on behalf of Maryland Transit Administration, an agency of MDOT, to provide financial and transaction advisory services to support the Purple Line project. MEDCO continued to work with MDOT to support the project.

The Purple Line Series 2016 bonds were redeemed on November 30, 2021.

On April 14, 2022, MEDCO issued its \$643,455,000 Maryland Economic Development Corporation (Purple Line Rail Project) Private Activity Revenue Bonds, Series 2022A (RSA) (Green Bonds) and Series 2022B (Green Bonds) to (i) pay for certain costs of developing, designing, constructing, equipping, and other related expenses of the Purple Line Light Rail Project, (ii) pay for all or a portion of the costs of the costs of issuance and other costs related to

the transaction, (iii) pay interest on the Series 2022A bonds during construction and (iv) fund any necessary reserves to secure the Series 2022B bonds.

The Purple Line Light Rail project was reclassified as "Performing" as of September 2022.

## **Student Housing Projects**

Status: Watch

The following owned student housing projects were classified as "Watch" in May 2020: University of Maryland, College Park; University of Maryland, Baltimore County; University of Maryland, Baltimore; Salisbury University; and Towson University. In September 2020, Bowie State University was classified as "Watch", and Salisbury University was removed from "Watch." In August 2021, Frostburg State University was classified as "Watch", and University of Maryland, College Park was removed from "Watch." In October 2021, Frostburg State University was removed from "Watch."

In March 2020, the University System of Maryland transitioned all undergraduate face-to-face instruction to remote instruction for the rest of the Spring 2020 semester. In accordance with the University System of Maryland's decision, all universities in the system closed their on-campus residential halls and refunded student for any prepaid rent. At the universities' requests, MEDCO followed suit with its owned student housing projects.

Per the respective Trust Indentures, the coverage ratio requirement as of the last day of each fiscal year must not to be less than 1.20. If in any fiscal year the coverage ratio of 1.20 is not met, a management consultant must be employed. For FY 20, MEDCO retained a management consultant for the student housing projects at Bowie State University (CMRC), Towson University, University of Maryland, Baltimore, University of Maryland, Baltimore County, and University of Maryland, College Park projects. For FY 21, the projects at Bowie State University (CMRC), Towson University, University of Maryland, Baltimore, and University of Maryland, Baltimore County did not meet the coverage ratio requirement and MEDCO retained a management consultant for those projects. For FY 22, the projects at Frostburg State University and University of Maryland Baltimore did not meet the coverage ratio requirements and MEDCO retained a management consultant for those projects.

Most of MEDCO's student housing projects have fully recovered from pandemic related difficulties. For FY 23, MEDCO anticipates the projects at University Maryland, Baltimore and Frostburg State University will not meet the coverage ratio requirement and MEDCO will be retaining a management consultant for those projects.

As of September 2022, University of Maryland, Baltimore County and Bowie State University (CMRC) were removed from "Watch." As of September 2022, the Towson University and University of Maryland, Baltimore projects remain classified as "Watch" and Frostburg State University project was added to "Watch." As of September 2023, Towson University is removed from "Watch" and University of Maryland, Baltimore and Frostburg remain classified as "Watch."

Based on the information available at this time, MEDCO anticipates the projects will be able to fund operating expenses and make their next upcoming debt services payments.

## **CONSULTANCIES, STUDIES, and REPORTS**

## **Magnetic Levitation (MAGLEV) Train Project**

The Maryland Department of Transportation (MDOT) requested MEDCO's assistance in its application for Federal Railway Administration grant funding to study a "super conducting" MAGLEV train between Washington DC and Baltimore. MEDCO also entered into an Economic Development Cooperative Agreement with the Baltimore-Washington Rapid Rail, LLC, a private firm, which in cooperation with the Japanese Central Railroad, is proposing to construct the system and provide the 20% non-federal match funds to perform environmental and engineering studies. MEDCO aids MDOT in administering and managing federal and private grant funds to complete the studies.

## Maryland Department of Transportation Purple Line Financial Transaction Advisor Contract

The Maryland Department of Transportation (MDOT), on behalf of the Maryland Transit Administration, has requested MEDCO's assistance in providing financial, consulting, and related services to MDOT in support of the Purple Line. The Purple Line is a 16.2-mile light rail transit line extending from Bethesda to New Carrollton that will provide enhanced transportation options and create economic development opportunities. A financial transaction advisor has been selected and has been working on a revised project finance plan.

On April 14, 2022, MEDCO issued its \$643,455,000 Maryland Economic Development Corporation (Purple Line Rail Project) Private Activity Revenue Bonds, Series 2022A (RSA) (Green Bonds) and Series 2022B (Green Bonds) to (i) pay for certain costs of developing, designing, constructing, equipping, and other related expenses of the Purple Line Light Rail Project, (ii) pay for all or a portion of the costs of the costs of issuance and other costs related to the transaction, (iii) pay interest on the Series 2022A bonds during construction and (iv) fund any necessary reserves to secure the Series 2022B bonds.

## Maryland Department of Transportation Traffic Relief Plan

The Maryland of Transportation, on behalf of the Maryland State Highway Administration and the Maryland Transportation Authority, has requested MEDCO's assistance in the facilitating the development of a Traffic Relief Plan (TRP) to (i) relieve traffic congestion in the National Capital Region, (ii) accommodate Homeland Security by providing additional capacity to, among other things, assist in population evacuation, (iii) improve movement of goods and services, and (iv) improve multimodal connectivity with existing and new transit facilities. An advisor for financial, transaction, and marketing services has been selected, and has been working to help identify the best structure and delivery of the TRP project. The project has received approval from the Board of Public Works for delivery as a Public Private Partnership and the advisor has released a request for qualifications and

identified a short list of teams to receive a draft request for proposal. The financial transaction advisor is preparing a Private Activity Bonds application for submittal to the U.S. Department of Transportation.

## St. Mary's County AeroPark

St. Mary's County has a preliminary concept master development and capital improvement plan, intended to transform St. Mary's County Regional Airport into a vibrant AeroPark innovation district. The AeroPark includes approximately 14 acres of county-owned land, located on the west end of the Airport as an area targeted for hangar and industrial flex building development and expansion. The county has requested MEDCO to assist with certain due diligence, budgeting, scheduling, general feasibility, and analytical real estate efforts, to help the county better its approach, scope, and next steps.

## Secure Compartmentalized Information Facility Capital Grant

As a result of renewed awareness of the organization's capabilities, MEDCO was asked to participate in several important legislative economic development initiatives. As an example, state capital grant resources were once again allocated to MEDCO to facilitate development of Secured Compartmentalized Information Facilities (SCIF) construction in Southern Maryland. Both projects (one located in Calvert County and one located in St. Mary's County) involve extensive structure and airplane build-out by experienced sensitive compartmented information facility (SCIF) sponsors and management firms, as well as support from significant federal military and national non-profit partners.

## Maryland Cannabis Reform Bill

In response to voter approval of adult-use cannabis legalization (Question 4 on the 2022 ballot), the Maryland General Assembly passed House Bill 556 and Senate Bill 516, which develops a framework for Adult-Use Cannabis Sales. First and foremost, the Bill authorizes Marylanders over 21 years of age to purchase cannabis products legally from a licensed dispensary. Existing medical cannabis dispensaries will be able to sell to adult consumers on July 1, 2023, provided they choose to convert their license. Additionally, the legislation authorizes the Maryland Cannabis Administration to issue additional grower, processor, and dispensary licenses, as well as new incubator licenses, over two licensing rounds.

The Maryland Economic Development Corporation (MEDCO) has been asked to assist the Administration by working with our Maryland County and City partners to help identify sites (including those that may be converted) for proposed use as an incubator space.

## **ADVISORY CAPACITY**

MEDCO staff hold board memberships and advisory positions within various organizations throughout the State, which directly promote economic development and help maximize new economic opportunities. These organizations include:

#### **Baltimore City**

MEDCO is engaged with Baltimore City to provide consulting, project feasibility, and advisory services related to the improvement and development of certain Department of Public Works administrative facilities in the city.

#### **Howard County**

MEDCO is engaged by Howard County to provide real estate development and consulting services related to reviewing the feasibility of activating mobility improvements along certain rail corridors within the county.

#### **Hagerstown Aviation Museum**

The Hagerstown Aviation Museum is an aviation museum at the Hagerstown Regional Airport in Hagerstown, Maryland focused on the history of the Fairchild Aircraft Corporation. MEDCO was engaged by the Hagerstown Aviation Museum to provide advisory services related to property acquisition, site development and building construction approaches related to the real property at the Hagerstown Airport.

#### Bainbridge Development Corporation (BDC)

BDC's purpose is to develop the Bainbridge Naval Training Center and to accelerate the site's transfer to the private sector. MEDCO's Executive Director is an ex-officio member of the board of directors.

#### **Baltimore Metropolitan Council**

The Baltimore Metropolitan Council (BMC) works with the region's elected executives to identify mutual interests and develop collaborative strategies, plans and programs that help improve our quality of life and economic vitality. MEDCO's Executive Director is a member of the board of directors.

#### Digital Harbor Foundation - Tech Lab Anchor Group

The Digital Harbor Foundation (DHF) is dedicated to offering programs to help enhance the digital literacy and skills of Baltimore City youth and their families. Through the DHF Tech Lab Anchor Group, business and non-profit community leaders volunteer ideas, resources and access to networks that aid in development of STEM education and digital literacy programming. MEDCO's Executive Director sits as a member of the Tech Lab Anchor Group Advisory Board.

## Junior Achievement of Central Maryland (JA)

JA's mission is to inspire and prepare young people to succeed. Community volunteers deliver real life lessons, share experiences, and provide mentorship to students. The objective being to impact young people's perceptions about the importance of education and critical life skills— specifically promoting financial capability, career readiness, entrepreneurship, and business ownership. MEDCO's Executive Director currently serves as Chair of the board of directors.

# Maryland Technology Enterprise Institute (Mtech) – Maryland Industrial Partnerships (MIPS)

MIPS promotes the development of technology and commercialization of products through research partnerships between universities and industry. MEDCO's Executive Director is a member of Mtech Board of Visitors, as well as the MIPS advisory board.

#### Maryland Economic Development Association (MEDA)

MEDA, a nonprofit organization for economic development professionals, promotes economic well-being by working to improve the state's business climate and encouraging professionalism in economic development. MEDCO's Executive Director is a member of MEDA's Past Presidents. Past Presidents provide economic development consulting services to parties requesting services.

# Maryland Department of Housing and Community Development, Revenue Bond Advisory Board (Revenue Advisory Board)

The Revenue Bond Advisory Board provides independent advice and expertise on the issuance of revenue bonds to the Department of Housing and Community Development. MEDCO's Executive Director serves as a member of the Revenue Bond Advisory Board.

#### Maryland Marketing Partnership (MMP)

The Maryland Marketing Partnership, founded in statute as the Maryland Public-Private Partnership Marketing Corporation, was created to develop a branding strategy for the state, market the state's assets and encourage the location and growth of new businesses in Maryland. MEDCO's Executive Director sits as a member of the board of directors.

## Maryland Thoroughbred Racetrack Operating Authority (MTROA)

SB720 was passed during the 2023 legislative session, creating the new Maryland Thoroughbred Racetrack Operating Authority (MTROA). This legislation enabled MEDCO's Executive Director to serve as board member and work directly with the Maryland Stadium Authority and horse industry stakeholders to help shape the future of horse racing, training, and breeding operations in Maryland, with a particular focus on the improvement of Pimlico Racetrack, the home of the Preakness.

#### Towson University Presidential Scholar Business Advisory Council

Dr. Nancy L. Grasmick, Towson University's first Presidential Scholar, works to fund, design, pilot and assess innovative initiatives in education and leadership to improve opportunities for students, faculty and the greater community. MEDCO's Executive Director sits as a member of this advisory council.

#### University of Maryland – UM Ventures Baltimore Fund

The Baltimore Fund stimulates economic advancement in Baltimore City by supporting Maryland-based public higher education created or sponsored technology companies and

affiliated entities locating in the city. The Fund also makes investments in new business incubation and accelerations programs. MEDCO Executive Director is a member of the Baltimore Fund Advisory Committee.

#### **University of Baltimore**

MEDCO is providing real estate consulting services to the University of Baltimore in the solicitation and selection of a private partner to redevelop the surplus 2.5-acre parcel at 60 West Oliver Street. This is the site of the former US Postal Service Repair Facility which U. Balt acquired in 2019. Through a long-term revenue ground lease, U. Balt's objective is to transform the property to its highest and best use consistent with the university's educational mission and its economic and community development goals.

#### West North Avenue Development Authority (WNADA)

The West North Avenue Development Authority was created to develop and help implement a comprehensive neighborhood revitalization plan in the West North Avenue Development Area. WNADA's mission is to benefit West Baltimore and its residents by improving housing, neighborhoods, economic development, and transportation. WNADA is a catalyst for equitable economic development opportunities throughout West Baltimore which has been hindered by historic discrimination. MEDCO's Executive Director serves as a member of the WNADA board.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

As management of Maryland Economic Development Corporation (MEDCO), we offer readers of the financial statements this narrative overview and analysis of MEDCO's financial activities for the fiscal years ended June 30, 2023 and 2022. Management's Discussion and Analysis (MD&A) is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of financial activity, and (c) identify changes in MEDCO's financial position. We encourage readers to consider the information presented here in conjunction with MEDCO's financial statements and accompanying notes.

#### General

MEDCO is a body corporate and political and a public instrumentality of the State of Maryland that was created in 1984 by an act of the Maryland General Assembly. MEDCO's purpose is to attract new business and to encourage expansion of existing businesses in Maryland through the development, expansion, and/or modernization of facilities. In fulfilling this purpose, MEDCO owns and leases certain properties and makes loans to organizations that require financing to acquire or develop properties. MEDCO also serves as a consultant or development manager on certain projects.

MEDCO issues limited-obligation revenue bonds and notes to provide capital financing for projects. Most of the bonds and notes are conduit debt obligations issued for specific third parties in MEDCO's name. In most of these cases, the related assets, liabilities, revenues, expenses, and cash flows are not included in MEDCO's financial statements, as MEDCO has no obligation for the debt beyond the resources provided under the related lease or loan with the party on whose behalf the debt was issued. The bonds and notes not issued for specific third parties primarily finance operating facilities of MEDCO. These bonds and notes are payable solely from the revenues of the respective facilities as defined in the related trust indentures. MEDCO is the owner of these operating facilities and has retained on-site professional managers for each facility. Neither the conduit debt obligations nor the debt issued to finance operating facilities is backed by the full faith and credit of the State of Maryland.

These Projects are owned by MEDCO or were owned during the period of the financial statements and as such are consolidated in the financial statements:

- Annapolis Mobility and Resilience Project (Annapolis Garage)
- Christa McAuliffe Student Housing (Bowie) at Bowie State University
- Bowie Mixed Use Facility Student Housing (Bowie Mixed Use) at Bowie State University
- Baltimore City Garages (City Garages)
- CTU Foundation Student Housing (CTU) at Capitol Technology University
- Chesapeake Bay Conference Center (CBCC)
- Edgewood Commons Student Housing (Frostburg) at Frostburg State University
- Owings Mills Metro Centre Garage (Metro Centre)
- Morgan View (MV), Thurgood Marshall Hall (TMH) and the TM3 Project known as Legacy Hall (LH) Student Housing (Morgan) at Morgan State University
- University Park Phase I and II (Salisbury) at Salisbury University
- West Village (Towson WV) and Millennium Hall Student Housing (Towson MH) at Towson University

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

#### General - continued

- Fayette Square Student Housing (UMAB) at University of Maryland, Baltimore
- Walker Avenue Student Housing (UMBC) at University of Maryland, Baltimore County
- University of Maryland, College Park Energy and Infrastructure Program (UMCP Energy)
- South Campus Commons and The Courtyards (UMCP Housing) at University of Maryland, College Park
- University Village (University Village) at Sheppard Pratt

#### **Overview of the Financial Statements**

This MD&A is intended to serve as an introduction to MEDCO's financial statements. MEDCO is a self-supporting entity and follows enterprise fund reporting; accordingly, the financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. Enterprise fund statements offer short-term and long-term financial information about the activities and operations of MEDCO. MEDCO's statements consist of two parts: the financial statements and notes to the financial statements.

#### **The Financial Statements**

MEDCO's financial statements are designed to provide readers with a broad overview of its finances, in a manner similar to a private-sector business.

The statements of net position present information on all of MEDCO's assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the difference reported as net position.

The statements of revenues, expenses and changes in net position present the operating activities of MEDCO and sources of non-operating revenues and expenses.

The statements of cash flows present summarized sources and uses of funds for MEDCO's activities. Cash flows from operating activities generally represent receipts and disbursements associated with property and equipment rentals, leases, operating facilities and energy services as well as day-to-day management. Cash flows from non-capital financing activities generally include the incurrence of debt obligations to finance loans and the related principal and interest payments. Cash flows from capital and related financing activities generally include the incurrence of debt obligations to finance capital assets, the subsequent investment of the debt proceeds in property and equipment, and the related principal and interest payments. Cash flows from investing activities generally include loan originations and related collections of principal and interest payments and purchases and sales of investments and collections of related income.

#### **Notes to the Financial Statements**

The notes provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to the financial statements can be found on pages 22-69 of this report.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

#### **Financial Analysis of MEDCO**

The following table summarizes MEDCO's financial position as of June 30,:

	2023	2022	2021
Current assets	\$ 130,289,951	\$ 101,262,605	\$ 106,734,421
Net right-of-use assets, capital assets, and right-to-use buildings	630,074,548	588,035,548	584,974,572
Other non-current assets	258,783,894	205,167,486	252,617,011
Total Assets	\$ 1,019,148,393	\$ 894,465,639	\$ 944,326,004
Deferred outflow of resources	\$ 3,830,022	\$ 4,516,141	\$ 5,803,422
Current liabilities	\$ 306,512,547	\$ 281,727,734	\$ 326,655,071
Bonds and notes payable, net of current portion	851,552,253	734,599,772	774,735,663
Other non-current liabilities	46,830,926	45,647,600	48,168,828
Total Liabilities	\$ 1,204,895,726	\$ 1,061,975,106	\$ 1,149,559,562
Deferred inflow of resources	\$ 104,687,860	\$ 118,418,731	\$ 131,456,838
Net investment in capital assets	\$ (393,670,877)	\$ (307,352,682)	\$ (340,989,312)
Restricted under trust indentures	163,442,299	79,162,232	120,915,930
Restricted for capital and other purposes	145,615	47,703	36,779
Unrestricted - Projects	(87,152,153)	(81,028,466)	(136,685,569)
Unrestricted - MEDCO	30,629,945	27,759,156	25,835,198
Total Net Position	\$ (286,605,171)	\$ (281,412,057)	\$ (330,886,974)

Significant factors in the changes in MEDCO's financial position for the year ended June 30, 2023 include:

- During the year ended June 30, 2023, TMH at Morgan, accepted its first residents and construction began on LH at Morgan, anticipated to open in August 2024. MEDCO also entered into a 30-year concession agreement with the City of Annapolis for the use of a newly constructed parking garage, which commenced operations in June 2023, through the issuance of tax-exempt and taxable bonds. Operations at the student housing operating facilities increased due to increased occupancy rates. In addition, revenue increased at MEDCO's City Garages facilities due to an increase in attendance at events such as concerts, plays and sporting events, and at CBCC due to increased travel demand and group bookings.
- During the year ended June 30, 2023, MEDCO adopted Government Accounting Standards Board (GASB) Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements* (GASB 94), using the retrospective approach, which requires a restatement for all prior periods presented. As a result of the adoption of GASB 94, MEDCO recognized capital assets, bonds payable, leases receivable and deferred inflow of resources as of July 1, 2021. Additional information is provided in Notes 1 and 2 to the financial statements.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

#### Financial Analysis of MEDCO - continued

- Current assets increased primarily as a result of an increase in cash and cash equivalents primarily at Morgan, \$2,403,000, as cash flow increased as a result of the initial year operations for the TMH facility, and at MEDCO, \$989,000, due to increased consulting and management fee revenue as a result of positive outreach and engagement with public/private partners leading to increased participation in economic development initiatives. Short-term investments increased for MEDCO, \$1,695,000, to take advantage of the increase in interest rates on deposits. Deposits with bond trustee restricted and accrued interest increased \$24,728,000 and \$3,353,000, respectively, primarily due to the issuance of new bonds and required deposits made with the trustees in fiscal year 2023 for the Annapolis Garage and Morgan LH projects. These increases were partially offset by a decrease in cash and cash equivalents at CBCC, \$1,496,000, primarily due to funds previously held in an escrow account for advance deposits and gift certificates being transferred to the trustee, and rent and other receivables, net, \$4,147,000, primarily at MEDCO, \$862,000, as a result of the repayment of construction fees previously paid on behalf of Morgan State University and at UMCP Energy, \$3,354,000, as a result of decreased billings due for maintenance and repairs that were performed in April, May and June of 2023.
- Net right-of-use assets, capital assets and right-to-use buildings increased due to development expenditures for both the Morgan TMH and LH facilities, \$40,760,000, Annapolis Garage for the concession agreement entered into with the City of Annapolis, \$33,396,000, and various other capital expenditures at Projects totaling \$13,053,000. These increases were partially offset by current year depreciation and amortization of \$44,696,000.
- Other non-current assets increased primarily as a result of funds deposited with the trustee, \$67,833,000, primarily due to the issuance of bonds and required deposits made with the trustees in fiscal year 2023 for the new Annapolis Garage and Morgan LH projects. This increase was partially offset by a decrease in lease receivable of \$14,120,000 for MEDCO due to payments received from leases during the current year in which MEDCO is the lessor.
- Current liabilities increased as a result of increases in accounts payable and accrued expenses for MEDCO primarily as a result of an increase in funds received and held for future project costs, \$1,554,000, Morgan primarily due to capital expenditures related to the construction of the Morgan LH facility and accrued expenses related to the initial year of operations for the Morgan TMH facility, \$8,883,000, and also for the Annapolis Garage initial year of operations, \$2,705,000. An increase in accrued interest for Morgan of \$4,582,000 primarily due to the issuance of bonds for the construction of the LH facility, and at University Village, \$2,682,000, primarily due to no payments of accrued rent being made during fiscal year 2023. An increase in the current portion of bonds payable as a result of CBCC not being able to fund the amount due during the year ended June 30, 2023, \$8,335,000, for bonds issued for the Annapolis Garage, \$460,000, and for the Morgan Series 2022A bond issuance, \$927,000. An increase in deferred management and services fee payable for CBCC primarily due to additional accruals related to the fiscal year 2023 management fee, \$1,191,000. These increases were partially offset by decreases in accounts payable and accrued expenses of \$4,475,000 at UMCP Energy as a result of decreased billings due for maintenance and repairs and the settlement of amounts previously due for equipment repairs, accrued ground rent of \$1,569,000 and lease liability of \$1,192,000 primarily as a result of payments made during the current year.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

#### Financial Analysis of MEDCO - continued

- Bonds and notes payable, net of current portion, increased primarily as a result of the issuance of bonds to finance development of Morgan LH, \$111,281,000, and for the initial concession agreement payment and funding of required reserves for the Annapolis Garage project, \$68,178,000. These increases were partially offset by the reclassification of fiscal year 2023 principal payments from non-current to current liabilities, \$24,544,000, and the amortization of bond premium/discounts, \$2,429,000, and the early repayment of bonds and notes payable, \$25,125,000.
- Other non-current liabilities increased primarily due to an increase in the lease liability of \$1,765,000 at CBCC as a result of a new equipment lease in fiscal year 2023 and ground rent payments not being made due to a lack of available funds, partially offset by a decrease in the lease liability at University Village of \$456,000 due to ground rent payments becoming current.

Significant factors in the changes in MEDCO's financial position for the year ended June 30, 2022 include:

- During the year ended June 30, 2022, operations at the student housing operating facilities fully recovered from COVID-19 related difficulties as students have returned to campus full time. In addition, revenue increased at MEDCO's City Garages facilities as both monthly and transient business returned to Baltimore's central business district and the inner harbor, and at CBCC as a result of increased travel demand, group bookings and returning business from the COVID-19 period.
- During the year ended June 30, 2022, MEDCO adopted GASB Statement No. 87, *Leases* (GASB 87), using the retrospective approach, which requires a restatement for all prior periods presented. As a result of the adoption of GASB 87, MEDCO recognized a lease liability, right-of-use asset, leases receivable and deferred inflow of resources as of July 1, 2020. Additional information is provided in Notes 1 and 2 to the financial statements.
- Current assets decreased primarily as a result of a decrease in cash and cash equivalents at MEDCO, \$11,127,000, primarily due to the use of funds that had been advanced for the planning and construction of future projects and the short-term investment of cash as interest rates increased. This decrease was partially offset by increases in cash and cash equivalents at Bowie Mixed Use, \$1,073,000, as a result of the project opening in August 2021, and at other operating projects, \$2,276,000, as operations have recovered from the COVID-19 period. Deposits with bond trustees – restricted decreased at Morgan, \$4,702,000, primarily due to the use of funds on deposit for capitalized interest payments and a decrease in the required deposits for interest and principal due to the issuance of 2022 bonds and the refunding of the 2012 bonds, and at CBCC, \$3,075,000, primarily to make additional payments toward deferred senior interest. Funds for replacement and additions of furnishings and equipment at CBCC increased, \$1,062,000, due to current year capital expenditures being less than the amount contributed per the management agreement. These decreases were partially offset by increases in rent and other receivables primarily at MEDCO, \$1,856,000, as a result of construction fees paid on behalf of Morgan that were awaiting reimbursement, CBCC, \$2,851,000, due to increases in billings as occupancy continued to recover from COVID-19, and UMCP Energy, \$2,547,000, as a result of increased billings due for maintenance and repairs.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

### Financial Analysis of MEDCO - continued

- Net right-of-use assets, capital assets and right-to-use buildings increased due to development expenditures for Morgan TMH, \$36,559,000, and various other capital expenditures at Projects totaling \$9,994,000. These increases were partially offset by current year depreciation and amortization of \$42,684,000.
- Other non-current assets decreased primarily as a result of funds deposited with the trustee primarily due to development expenditures for Morgan TMH, \$34,725,000, and Bowie Mixed Use, \$2,089,000, as well as capital, debt service and operational expenditures at various other Projects totaling \$3,966,000. These decreases were partially offset by increases in surplus funds deposited with the trustee at UMCP Housing, \$4,864,000, and various other Projects, \$3,276,000, as operations recovered from the COVID-19 period. Leases receivable decreased \$14,120,000 for MEDCO due to payments received during the current year in which MEDCO is the lessor.
- Current liabilities decreased primarily as a result of the gain on extinguishment of management fee payable related to CBCC deferred management fees and accrued interest in the amount of \$61,034,000, and advances, \$13,379,000, due to the use of funds that had been advanced for the planning and construction of future projects. These decreases were partially offset by increases in accounts payable and accrued expenses of \$2,801,000 at UMCP Energy as a result of increased billings due for maintenance and repairs that were performed in May and June, Morgan, \$1,823,000, due to outstanding construction invoices related to the TMH facility at year end, the current portion of bonds payable due to CBCC not being able to fund the amount due during the year ended June 30, 2022, \$7,925,000, accrued ground rent primarily due to increases in cash flow resulting in increases to cumulative rent due at Bowie, \$1,749,000, Morgan, \$1,477,000, and UMCP, \$4,362,000, accrued interest at University Village, \$2,585,000, primarily due to an increase in lease liability interest due, and lease liability at CBCC, \$1,940,000, and University Village, \$1,647,000.
- Bonds and notes payable, net of current portion, decreased primarily as a result of the refunding of 2012 bonds, \$23,320,000, and the issuance of 2022 bonds, \$22,707,000, at Morgan. The reclassification of fiscal year 2023 principal payments from non-current to current liabilities, \$22,529,000, and the amortization of bond premium/discounts, \$2,580,000.
- Other non-current liabilities increased primarily due to a increase in the lease liability of \$9,352,000 at University Village, slightly offset by a decrease in lease liability at CCBC of \$2,014,000 due to ground rent payments becoming current.

MEDCO's net position as of June 30, 2023, 2022 and 2021 (after considering the effects of eliminations and adjustments in consolidation) are detailed by source as follows:

	2023		2022		2021
Operating facilities	\$ (314,980	,266) \$	(307,504,043)	\$	(355,912,320)
Other operations	28,375	,095	26,091,986		25,025,346
Net position	\$ (286,605	,171) \$	(281,412,057)	\$	(330,886,974)

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

### Financial Analysis of MEDCO - continued

As discussed in greater detail below, the majority of MEDCO's operating income for 2023, 2022 and 2021 relate to its operating facilities.

The following table summarizes MEDCO's revenues and expenses and changes in net position for the years ended June 30,:

	2023	2022	2021
Operating Revenues:			
Operating facilities	\$ 176,947,588	\$ 155,283,429	\$ 116,037,061
Lease	14,061,177	13,725,256	12,207,255
Consulting and management fees	1,668,859	1,677,027	2,041,011
Total Operating Revenues	192,677,624	170,685,712	130,285,327
Operating Expenses:			
Operating facilities	111,392,679	99,774,972	79,224,410
Compensation and benefits	2,143,367	1,888,712	1,861,112
Administrative and general	1,194,263	705,425	563,979
Depreciation and amortization	44,696,264	42,683,962	41,782,910
Total Operating Expenses	159,426,573	145,053,071	123,432,411
Operating Income	33,251,051	25,632,641	6,852,916
Non-operating Revenues and Expenses:			
Interest income	9,899,833	2,531,896	4,521,654
Interest expense	(45,303,418)	(39,000,994)	(39,643,598)
Settlement income	250,703	296,451	36,938
Gain on extinguishment of management fee payable	-	61,034,190	-
Bond issuance costs	(2,632,685)	(290,387)	(680,529)
Loss on sales and retirements of assets, net	(658,598)	(728,880)	(368,436)

Net Position, end of year	\$(286,605,171)	\$(281,412,057)	\$(330,886,974)

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

### Financial Analysis of MEDCO - continued

The change in net position for the years ended June 30, 2023, 2022 and 2021 (after considering the effects of eliminations and adjustments in consolidation) is detailed by source as follows:

	 2023	 2022	 2021
Operating facilities	\$ (7,476,223)	\$ 48,408,277	\$ (29,169,900)
Other operations	 2,283,109	 1,066,640	 (111,155)
Change in Net Position	\$ (5,193,114)	\$ 49,474,917	\$ (29,281,055)

Significant factors in the results for the year ended June 30, 2023 include:

As of June 30, 2023, management has identified CBCC as a "Non-Performing" Project, as defined in MEDCO's loan classification policy. CBCC has been identified as a "Non-Performing" Project after the June 2014 debt service payment was only partially made and for failure to meet the debt coverage ratio as required in the trust indenture governing the bonds. Under terms of the CBCC trust indenture, MEDCO is required to promptly employ a management consultant to submit a written report and recommendations with respect to the Project. MEDCO has engaged both a project analyst consulting firm and an asset management/turnaround consultant to evaluate the operations of CBCC. Since May 1, 2014, CBCC has had a forbearance agreement with the trustee which provides for a partial deferral of interest and principal payments owed under the bonds. Pursuant to the terms of a fifth amendment to the amended and restated forbearance agreement, the forbearance period was extended to December 31, 2023. In accordance with the terms of the most recent amendment, effective June 30, 2023, a cash flow budget through December 31, 2023 was prepared and submitted to the trustee for approval. Upon approval of the budget by the trustee, the Project was to incur expenses and expend funds only to the extent per category and within the times set forth in the approved cash flow budget. In addition, any amounts not spent within one month can be expended in a subsequent month, subject to adjustments as defined in the agreement. The amended and restated forbearance agreement contains target amounts for gross revenues, net operating income, and cumulative cash flow. If the Project fails to satisfy these target amounts in any month, it shall constitute a forbearance termination event. Upon the occurrence of a forbearance termination event, the forbearance granted shall immediately and automatically terminate, and the Trustee shall have available to it all rights and remedies available specified under the forbearance agreement, any of the bond documents, or under applicable law. The amendments to the amended and restated forbearance agreement amend the transfer of funds to specific reserves in connection with the capital budget, as stipulated in the agreement. Additional information relating to the status of this Project is provided in Note 13 to the financial statements.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

### Financial Analysis of MEDCO - continued

- As of June 30, 2023, management has identified Frostburg, Towson WV and MH and UMAB student housing projects as "Watch" projects, as defined in MEDCO's loan classification policy. In September 2023, Towson WV and MH was removed from being classified as a "Watch" project. During the year ended June 30, 2023 most of the student housing projects have fully recovered from the pandemic related difficulties. Per the respective trust indentures, the Projects are each required to meet a coverage ratio, as defined in the respective trust indenture agreements, as of the last day of each fiscal year of no less than 1.20 to 1. If in any fiscal year, the coverage ratio is not met, a management consultant must be employed. As of September 2023, Frostburg and UMAB remained classified as "Watch" as they did not meet their respective coverage ratios as of June 30, 2023. During the year ending June 30, 2023, MEDCO retained a management consultant for the Frostburg, Towson WV and MH and UMAB student housing projects.
- Operating income from operating facilities increased approximately \$7,761,000 for the year ended June 30, 2023 in comparison to the year ended June 30, 2022. This is primarily attributable to CBCC as travel demand remained strong, \$1,890,000, Morgan primarily as a result of the initial year of operations for the TMH facility, \$4,842,000, Towson WV & MH, \$1,324,000, and UMCP Housing, \$1,097,000, due to an increase in occupancy and rental rates. Increases at other operating projects, \$1,001,000, were primarily due to increased occupancy and rental rates. These increases were partially offset by a decrease at Bowie Mixed Use of \$2,393,000 primarily due to increases in ground rent and property operating costs.
- Net Non-operating revenues (expenses) decreased \$62,286,000. This decrease is primarily due to the recognition of a gain on extinguishment of management fees payable at CBCC, \$61,034,000 during the year ended June 30, 2022, as an agreement was reached with the Project manager to forever waive any and all deferred fees and interest accrued thereon, to which the manager was due under the management agreement that expired on August 31, 2021, and an increase in interest expense and bond issuance costs for the Annapolis Garage, \$4,439,000, and Morgan, \$4,380,000, as a result of the bonds issued during the year ended June 30, 2023. These decreases were partially offset by an increase in interest income of \$7,368,000 as interest rates on deposits increased during the year ended June 30, 2023.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

### Financial Analysis of MEDCO - continued

Significant factors in the results for the year ended June 30, 2022 include:

As of June 30, 2022, management has identified CBCC as a "Non-Performing" Project, as defined in MEDCO's loan classification policy. CBCC has been identified as a "Non-Performing" Project after the June 2014 debt service payment was only partially made and for failure to meet the debt coverage ratio as required in the trust indenture governing the bonds. Under terms of the CBCC trust indenture, MEDCO is required to promptly employ a management consultant to submit a written report and recommendations with respect to the Project. MEDCO has engaged both a project analyst consulting firm and an asset management/turnaround consultant to evaluate the operations of CBCC. Since May 1, 2014, CBCC has had a forbearance agreement with the trustee which provides for a partial deferral of interest and principal payments owed under the bonds. Pursuant to the terms of a third amendment to the amended and restated forbearance agreement, the forbearance period was extended to December 31, 2022. In accordance with the terms of the most recent amendment, effective July 1, 2022, a proposed budget through December 31, 2022 was prepared and submitted to the trustee for approval. Upon approval of the budget by the trustee, the Project was to incur expenses and expend funds only to the extent per category and within the times set forth in the approved cash flow budget. In addition, any amounts not spent within one month can be expended in a subsequent month, subject to adjustments as defined in the agreement. The amended and restated forbearance agreement contains target amounts for gross revenues, net operating income, and cumulative cash flow. If the Project fails to satisfy these target amounts in any month, it shall constitute a forbearance termination event. Upon the occurrence of a forbearance termination event, the forbearance granted shall immediately and automatically terminate, and the Trustee shall have available to it all rights and remedies available specified under the forbearance agreement, any of the bond documents, or under applicable law. The amendments to the amended and restated forbearance agreement amend the transfer of funds to specific reserves in connection with the capital budget, as stipulated in the agreement. Additional information relating to the status of this Project is provided in Note 13 to the financial statements.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

### Financial Analysis of MEDCO - continued

- As of June 30, 2022, management has identified City Garages, UMBC, UMAB, Bowie, and Towson WV and MH student housing projects as "Watch" projects, as defined in MEDCO's loan classification policy. City Garages revenue increased during 2022 as both monthly and transient business returned to Baltimore's central business district and the inner harbor. In September 2022, City Garages was removed from being classified as a "Watch" project. In March 2020, as a result of COVID-19, the University System of Maryland transitioned all undergraduate in-person instruction to virtual instruction for the remainder of the Spring 2020 semester. In connection with the University of Maryland's decision, all universities in the system closed their on-campus residential halls. During the year ended June 30, 2021 occupancy rates began to improve as the University System of Maryland institutions offered a mix of both virtual and inperson instruction. During the year ended June 30, 2022 student housing projects fully recovered from the pandemic related difficulties. Per the respective trust indentures, the Projects are each required to meet a coverage ratio, as defined in the respective trust indenture agreements, as of the last day of each fiscal year of no less than 1.20 to 1. If in any fiscal year, the coverage ratio is not met, a management consultant must be employed. In September 2022, UMBC and Bowie were removed from being classified as a "Watch" project, and Frostburg was added to "Watch" in September 2022. UMAB, Towson WV and MH, and Frostburg were added to "Watch" as they did not meet their respective coverage ratios as of June 30, 2022. During the year ending June 30, 2022, MEDCO retained a management consultant for the City Garages, UMBC, UMAB, Bowie, and Towson WV and MH student housing projects.
- Operating income from operating facilities increased approximately \$17,549,000 for the year ended June 30, 2022 in comparison to the year ended June 30, 2021. This is primarily attributable to CBCC, \$12,902,000, and UMBC, \$2,200,000, due to an increase in occupancy causing revenue to increase post COVID-19. Increases at other operating projects, \$844,000, were primarily due to operations having fully recovered from the pandemic related difficulties, and Bowie Mixed Use, \$1,958,000, as the project opened for the first time in August 2021. These increases are offset by increases in operating facility expenses of \$20,752,000 due to the increase in activity due to operations recovering from COVID-19.
- Net Non-operating revenues (expenses) increased \$59,976,000. This increase is primarily due to the recognition of a gain on extinguishment of management fees payable at CBCC, \$61,034,000, as an agreement was reached with the Project manager to forever waive any and all deferred fees and interest accrued thereon, to which the manager was due under the management agreement that expired on August 31, 2021. This increase in net non-operating revenue was partially offset by an decrease in interest expense, \$1,990,000, primarily due to MEDCO.

Additional information relating to the operating results of the operating facilities for the years ended June 30, 2023 and 2022 is provided in Note 9 to the financial statements.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

### **Capital Assets and Debt Administration**

#### Capital Assets and Right-to-Use Buildings

Costs incurred to acquire, develop and/or improve capital assets and right-to-use buildings were \$87,214,000 and \$46,649,000 during the years ended June 30, 2023 and 2022, respectively.

During 2023, MEDCO was requested to enter into a 30-year concession agreement with the City of Annapolis for the use of a the Annapolis Garage through the issuance of its tax-exempt and taxable bonds. The proceeds of the bonds were used for the initial concession payment of the Project, to fund required reserve funds and to pay for costs of issuing the bonds. An acquisition value of approximately \$33,000,000 was assigned to the parking garages.

During 2023, projects totaling \$312,000, primarily for replacement of carpeting and various furniture, fixtures and equipment items, were completed at Bowie. During 2022, projects totaling \$262,000, primarily for HVAC repairs, elevator repairs, and replacement of carpeting, were completed at Bowie.

During 2023, projects totaling \$230,000, primarily for building updates and various furniture, fixtures and equipment items, were completed at Bowie Mixed Use. During 2022, there were \$1,712,000 of construction, development and equipment expenditures for the Bowie Mixed Use facility for the construction of the student housing Project. Proceeds from the 2020 issuance of tax-exempt bonds were used to pay for the cost of issuing the bonds, fund required reserve deposits and to pay for the development of the Project. The Project opened in August 2021.

During 2023 and 2022, there were \$2,917,000 and \$1,432,000, respectively, in capital expenditure at City Garages for architectural fees, slab repairs, construction equipment, and elevator and lighting repairs.

During 2023, there were \$3,281,000 in capital expenditures at CBCC primarily for improvements to the facilities. During 2022, there were \$1,355,000 in capital expenditures at CBCC for improvements to the facilities and repairs made to the pier.

The major capital asset events during the year ended June 30, 2023 at Morgan were expenditures for the construction of the TMH facility, totaling \$17,005,000, construction of the LH facility, totaling \$23,755,000, as well as \$1,448,000 for the replacement of HVAC units, roofing, flooring, carpeting, and apartment renovations. The major capital asset events during the year ended June 30, 2022 at Morgan were expenditures for the ongoing construction of the TMH facility, totaling \$36,559,000, as well as \$251,000 on the replacement of HVAC units, computers, and furniture and fixtures.

The major capital asset events during the year ended June 30, 2023 at Salisbury were gas furnace, roof, carpet, furniture, and appliance replacement as well as bathroom remodeling and wall repair, \$1,056,000. The major capital asset events during the year ended June 30, 2022 at Salisbury were window, roof, HVAC, carpet, furniture, and appliance replacement, \$2,049,000.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

### **Capital Assets and Debt Administration - continued**

#### Capital Assets and Right-to-Use Buildings - continued

The most significant capital asset events during the year ended June 30, 2023 at Towson WV & MH were the replacement of a chiller and a boiler with several minor updates for \$396,000. The major capital asset events during the year ended June 30, 2022 at Towson WV & MH were furniture, fixtures and equipment, PVI water tanks, and building repairs, \$10,000.

The major capital asset events during the year ended June 30, 2023 at UMAB were roof replacements, hot water system refurbishment, parking garage door replacements, and flood repairs, \$161,000. The major capital asset events during the year ended June 30, 2022 at UMAB were elevator refurbishment and replacements of roofs, expansion tank, computers, and carpets, \$89,000.

The major capital asset events during the year ended June 30, 2023 at UMBC were furniture and fixture deposits included in construction in progress, roof repairs, parking lot rejuvenations, exterior concrete replacement, bathroom remodeling, appliance, furniture, and flooring replacement, \$956,000. The major capital asset events during the year ended June 30, 2022 at UMBC were drywall repairs and insulation, roof repairs, parking lot rejuvenations, exterior concrete replacement, a roof condenser, appliance and flooring replacement, \$377,000.

The major capital asset events during the year ended June 30, 2023 at UMCP Housing were the replacement of support beams, pool plaster, exterior concrete, HVAC, heat pump, lighting panel, light fixture, carpet, tile, furniture, appliances, and furniture, fixture, and equipment deposits included within construction in progress, \$2,737,000. The major capital asset events during the year ended June 30, 2022 at UMCP Housing were the replacement of support beams, HVAC, heat pump, lighting panel, carpet, tile, furniture, appliances, and drainage system upgrades, \$2,177,000.

The major capital asset events during the year ended June 30, 2023 at University Village were the replacement of roofing, kitchen and bath remodels, HVAC systems, furniture and fixtures, and sidewalk repairs, \$800,000, and construction in progress for kitchen and bath renovations, \$125,000. The major capital asset events during the year ended June 30, 2022 at University Village were the replacement of roofing, HVAC systems, furniture and fixtures, security camera installation, and property access control, \$449,000, and construction in progress for kitchen renovations, \$242,000.

Additional information relating to capital assets is provided in Notes 7 and 8 to the financial statements.

Management's Discussion and Analysis For the Years Ended June 30, 2023 and 2022

### Capital Assets and Debt Administration – continued

#### Debt

As of June 30, 2023, MEDCO had total bonds and notes payable outstanding of \$948,693,000, an increase of 16% from June 30, 2022. As discussed above, none of the bond or note debt is backed by the full faith and credit of the State of Maryland or MEDCO.

During 2023, MEDCO issued debt totaling \$179,418,000, including an original issue premium and discount, to finance the development of the Morgan LH student housing facility and for the initial concession agreement payment and funding of required reserves for the Annapolis Garage project. Aggregate principal payments/reductions on bonds and notes payable during the year were \$49,238,000.

As of June 30, 2022, MEDCO had total bonds and notes payable outstanding of \$820,942,000, a decrease of 4% from June 30, 2021. As discussed above, none of the bond or note debt is backed by the full faith and credit of the State of Maryland or MEDCO.

During 2022, MEDCO issued debt totaling \$22,707,000, including an original issue premium and discount, to currently refund the outstanding Series 2012 bonds, fund a deposit to the debt service reserve fund and pay costs of issuance for the Series 2022 bonds for the Morgan TMH student housing facility. Aggregate principal payments/reductions on bonds and notes payable during the year were \$27,798,000.

Additional information relating to debt and capital lease obligations is provided in Note 10 to the financial statements.

#### **Contacting Management of MEDCO**

This report is designed to provide Maryland citizens and taxpayers, and our customers, clients, investors and creditors, with a general overview of the finances of MEDCO. If you have questions about this report or need additional information, including individual Project audited financial statements, contact Maryland Economic Development Corporation, 7 St. Paul Street, Suite 940, Baltimore, MD 21202.

#### **Independent Auditors' Report**

To the Board of Directors of Maryland Economic Development Corporation:

### **Opinion**

We have audited the accompanying financial statements of Maryland Economic Development Corporation (MEDCO), as of and for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MEDCO as of June 30, 2023 and 2022 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MEDCO and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Changes in Accounting Principles**

As discussed in Note 1 to the financial statements, in 2023 and 2022 MEDCO adopted new accounting guidance, Government Accounting Standards Board (GASB) No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements* and GASB No.87, *Leases*, respectively. Our opinion is not modified with respect to these matters.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MEDCO's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MEDCO's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about MEDCO's ability to continue as a going concern for a reasonable period
  of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Required Supplementary Information**

Accounting principles generally accepted in the Unites States of America require that the management's discussion and analysis on pages 1-14 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the GASB, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Organization**

Maryland Economic Development Corporation (MEDCO) is a body corporate and political and a public instrumentality of the State of Maryland that was created in 1984 by an act of the Maryland General Assembly. MEDCO's purpose is to attract new business and encourage expansion of existing businesses in Maryland through the development, expansion and/or modernization of facilities. In fulfilling this purpose, MEDCO owns and leases certain properties and makes loans to organizations that require financing to acquire or develop properties. MEDCO also serves as a consultant or development manager on certain projects.

MEDCO issues limited-obligation revenue bonds and notes to provide capital financing for projects. Most of the bonds and notes are conduit debt obligations issued for specific third parties in MEDCO's name. In most of these cases, the related asset, liabilities, revenues, expenses and cash flows are not included in MEDCO's financial statements, as MEDCO has no obligation for the debt beyond the resources provided under the related loan with the party on whose behalf the debt was issued. The bonds and notes not issued for specific third parties primarily finance operating facilities of MEDCO. These bonds and notes are payable solely from the revenues of the respective facilities as defined in the related bond indentures.

MEDCO is governed by a twelve-member board appointed by the Governor. MEDCO qualifies for tax-exempt status under Section 501(c)(4) of the Internal Revenue Code and Section 10-104 of the Tax-General Article of the Annotated Code of Maryland. Accordingly, no provision for income taxes or income tax benefit has been recorded.

#### **Basis of Presentation**

The accompanying financial statements present the financial position, changes in financial position and cash flows of MEDCO. As a special purpose government entity engaged solely in business-type activities, MEDCO follows enterprise fund reporting; accordingly, the financial statements are presented using the economic resources measurement focus and accrual basis of accounting wherein revenues are recognized when earned and expenses are recognized when incurred. Also, in preparing its financial statements, MEDCO has adopted Government Accounting Standards Board (GASB) Statement No. 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

#### **Basis of Presentation – continued**

MEDCO previously elected to report its conduit debt as allowed under GASB Interpretation No.2, *Disclosure of Conduit Debt Obligations*. During the year ended June 30, 2022, MEDCO adopted GASB Statement No. 91, *Conduit Debt Obligations* (GASB 91), and elected to report its conduit debt under GASB 91. The term conduit debt obligations refers to certain limited-obligation revenue bonds or notes issued by MEDCO for the express purpose of providing capital financing for a specific third party that is not a part of MEDCO's financial reporting entity. Although conduit debt obligations bear the name of MEDCO, MEDCO has no obligation for such debt beyond the resources provided by financing leases or loans with the third parties on whose behalf they are issued. Since these conduit debt obligations do not constitute a liability of MEDCO, conduit debt obligations, the related assets, revenues, expenses and cash flows are excluded from MEDCO's financial statements.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### **Recently Adopted Accounting Principles**

Effective July 1, 2021, MEDCO adopted GASB Statement No. 87, *Leases* (GASB 87), which modifies the guidance for lease accounting. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, with the exception of leases with an original term of 12 months or less, thereby enhancing the relevance and consistency of information about governments' leasing activities. The lease liability should be measured at the present value of payments expected to be made during the lease term (less any lease incentives). The lease asset should be measured at the amount of the initial measurement of the lease liability, plus any payments made to the lessor at or before the commencement of the lease term and certain direct costs. A lessor is required to recognize a lease receivable and deferred inflow of resources. The lease receivable is measured at the present value of lease payments expected to be received during the lease term. The deferred inflow of resources is measured at the fair value of the lease receivable plus any payments received at or before commencement of the lease term that relates to future periods. MEDCO used the retrospective approach to adopt this guidance, which requires a restatement for all prior periods presented (Note 2).

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

### Recently Adopted Accounting Principles - continued

Effective July 1, 2022, MEDCO adopted GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements* (GASB 94), which improves financial reporting by addressing issues related to public-private and public-public partnerships (PPP) and provides guidance for accounting and financial reporting for availability payment arrangements (APA). A PPP is an arrangement in which a government (the transferor) contracts with an operator (a governmental or nongovernmental entity) to provide public services by conveying control of the right to operate or use a nonfinancial asset, such as infrastructure or other capital assets (the underlying PPP asset), for a period of time in an exchange or exchange-like transaction. Some PPPs meet the definition of a service concession arrangement (SCA), in which (1) the operator collects and is compensated by fees from third parties; (2) the transferor determines or has the ability to modify or approve which services the operator is required to provide, to whom the operator is required to provide services, and the prices or rates that can be charged for services; and (3) the transferor is entitled to significant residual interest in the service utility of the underlying PPP asset at the end of the arrangement. GASB 94 also provides specific guidance in financial statements prepared using the economic resources measurement focus for a government that is an operator in a PPP that either (1) meets the definition of an SCA or (2) is not within the scope of GASB Statement No. 87, *Leases* (GASB 87).

An operator should report an intangible right-to-use asset related to an underlying PPP asset that either is owned by the transferor or is the underlying asset of an SCA. Measurement of the right-to-use asset should be the amount of consideration to be provided to the transferor, plus any payments made to the transferor at or before the commencement of the PPP term, and certain direct costs. For an underlying PPP asset that is not owned by the transferor and is not the underlying asset of an SCA, an operator should recognize a liability measured based on the estimated carrying value of the underlying PPP asset as of the expected date of the transfer in ownership. In addition, an operator should recognize a liability for installment payments, if any, to be made to the transferor in relation to the PPP. Measurement of a liability for installment payment should be at the present value of the payments expected to be made during the PPP term. An operator also should recognize a deferred outflow of resources for the consideration provided or to be provided to the transferor as part of the PPP. Expense should be recognized by an operator in a systematic and rational manner over the PPP term.

Additionally, GASB 94 requires a government that engaged in an APA that contains multiple components to recognize each component as a separate arrangement. An APA that is related to operating or maintaining a nonfinancial asset should be reported by a government as an outflow of resources in the period to which payments relate. GASB 94 requires the retrospective approach to adopt this guidance, which requires a restatement for all prior periods presented.

In accordance with GASB 94, the arrangements between MEDCO and the University System of Maryland, City of Baltimore and City of Annapolis qualify as PPPs requiring MEDCO to recognize the capital assets associated with the SCAs as an intangible asset (Note 7).

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

### Recently Adopted Accounting Principles - continued

MEDCO previously reported the capital assets associated with these arrangements as an intangible asset in accordance with GASB Statement No. 60, *Accounting and Financial Reporting for Service Concession Arrangements* (GASB 60), which has been amended by GASB 94. Accordingly, there was no impact on operating income or net position as a result of the adoption of GASB 94 for these SCAs.

The arrangements between MEDCO and Sheppard Pratt Health Systems, Inc. and Chesapeake Resort, LLC. qualify as PPPs requiring MEDCO to recognize the capital assets associated with the arrangements as an intangible asset. MEDCO previously reported the capital assets associated with these arrangements as an intangible asset in accordance with GASB 87. GASB 94 required that PPPs that meet the definition of a lease apply the guidance in GASB 87, if existing assets of the transferor that are not required to be improved by the operator as part of the PPP arrangement are the only underlying PPP assets and the PPP does not meet the definition of an SCA. Accordingly, there was no impact on operating income or net position as a result of the adoption of GASB 94 for these arrangements under GASB 87.

Certain arrangements previously classified as conduit debt obligations whereby the issuer, MEDCO, relinquishes title at the end of the arrangement, have been superceded by GASB 94 and are now within the scope of GASB 87. As a result, MEDCO used the retrospective approach to adopt this guidance, which requires a restatement for all prior periods presented (Note 2). MEDCO recognized a deferred inflow of resources of \$123,905,000, which represents the present value of remaining lease payments to be received, and a lease receivable of \$123,905,000 as of July 1, 2021. MEDCO also recognized capital assets of \$135,467,000 and bonds payable of \$123,905,000 as of July 1, 2021.

Effective July 1, 2022, MEDCO adopted GASB Statement No. 96, Subscription-Based Technology Arrangements (GASB 96), which modified the guidance for subscription-based information technology arrangements (SBITA's) accounting. Under the statement, a government generally should recognize a right-to-use subscription asset – an intangible asset – and a corresponding subscription liability. The subscription liability should be initially measured at the present value of subscription payments expected to be made during the subscription term. The subscription asset should be initially measured as the sum of (1) the initial subscription liability amount, (2) payments made to SBITA vendor before commencement term, and (3) capitalized implementation costs, less any incentives received from SBITA vendor at or before the commencement of the subscription term. GASB 96 requires the retrospective approach to adopted this guidance, which requires a restatement for all prior periods presented. There was no effect on operating income or net position as a result of the adoption of GASB 96 due to the immaterial amount of future subscription payments expected to be made.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

### **Cash and Cash Equivalents**

Short-term investments with maturities of three months or less on the date of purchase are classified as cash equivalents, except that any such investments purchased with funds on deposit with the bond trustee are classified with such deposits.

Accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor. MEDCO periodically maintains cash balances in excess of FDIC coverage. Management considers this to be a normal business risk.

MEDCO is required by Section 17-101(d) of the Local Government Article of the Annotated Code of Maryland to collateralize deposits in banks in excess of federal deposit insurance. Satisfactory collateral is enumerated at Section 6-202 of the State Finance and Procurement Article of the Code. As of June 30, 2023 and 2022, bank deposits were properly collateralized.

As of June 30, 2023 and 2022, \$14,000,117 and \$16,095,095, respectively, of cash and cash equivalents were restricted under third party agreements and not available to pay general operating expenses of MEDCO.

### **Investments**

Investments include guaranteed investment contracts, U.S. Government Agency bills, notes and bonds, and money market funds. Investments are recorded as either short-term or long-term in the accompanying statements of net position based on the contractual maturity date. Certain U.S. Government Agency term notes classified as short-term investments have maturities that extend beyond one year, however, management has not expressed an intention to hold these investments to maturity.

### **Security Deposits Assets**

Security deposits are held in checking and money market accounts and represent cash restricted under state law. As of June 30, 2023, security deposits were overfunded at Morgan View, Thurgood Marshall Hall and Legacy Hall Student Housing at Morgan State University (Morgan), \$173,582, and University Village at Sheppard Pratt (University Village), \$37,469. As of June 30, 2022, security deposits were overfunded at Morgan, \$113,255, and University Village, \$37,587. The overfundings are a result of the timing of receipts and refunds that are transacted in the operating accounts of the facilities. Periodically, funds are transferred from cash and cash equivalents to security deposits to meet the minimum funding requirements.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

### Fund for Replacement of and Additions to Furnishings and Equipment

The Hyatt Hotels Corporation of Maryland (Hyatt) management agreement for the Chesapeake Bay Conference Center (CBCC) requires that a reserve fund for replacement of and additions to furnishings and equipment be established. An interest-bearing account is maintained for the fund. As of June 30, 2023 and 2022, all bank deposits related to the reserve fund for replacement of furnishings and equipment were properly collateralized in accordance with Section 17-101(d) of the Local Government Article of the Annotated Code of Maryland.

Pursuant to the Hyatt management agreement, the amount to be contributed to the fund was equal to 4% of gross receipts, as defined, through June 30, 2008, and 5% from July 1, 2008 through June 30, 2011. From July 1, 2011 through July 1, 2015, the agreement provided for 5% plus additional amounts not in excess of 2% of gross receipts (as MEDCO and Hyatt deem reasonably necessary to meet the current or anticipated capital expenditure needs of the Hotel). Pursuant to a forbearance agreement, effective May 1, 2014 and most recently amended and restated effective June 30, 2022, and during the forbearance period, the amount to be contributed to the fund is capped at 5% of gross receipts. However, pursuant to the terms of the agreements, the Hyatt requisitioned an additional \$1,397,804 from the revenue fund for deposit into the capital reserve fund during fiscal year 2023.

As of June 30, 2023 and 2022, the reserve fund was underfunded by approximately \$295,000 and \$1,341,000, respectively. The shortfall at June 30, 2023 and 2022 is due to timing of the remittance of contributions for June's revenues As of October 23, 2023, the shortfall at June 30, 2023 and 2022 has been funded.

#### Loans Receivable

Loans are stated at their uncollected principal balances, reduced by unearned income. Loans are classified as non-accrual when they become past due for ninety days. A loan remains in non-accrual status until it becomes current as to both principal and interest and the borrower demonstrates the ability to pay and remain current. MEDCO utilizes the allowance method to provide for doubtful accounts based upon a review of past-due loans and historical collection experience. Loan receivables are written off when it is determined the amounts are uncollectible. The balance of the allowance for doubtful accounts was \$730,908 as of June 30, 2023 and 2022.

#### Leases Receivable

Leases receivable consists primarily of future payments expected to be received under various leases whereby MEDCO is the lessor, under GASB 87 (Note 5). There is no allowance for the leases receivable recorded as of June 30, 2023 and 2022.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

#### **Rent and Other Receivables**

Rent and other receivables consist of amounts due for rent, management fees, and construction advances. Certain operating facilities extend credit to customers without requiring collateral. For certain contracts, the operating facilities require advance deposits prior to services being performed. The operating facilities utilize the allowance method to provide for doubtful accounts based upon a review of past-due accounts and historical collection experience.

Receivables are written off when it is determined amounts are uncollectible. The balance of the allowance for doubtful accounts as of June 30, 2023 and 2022 totaled \$5,028,760 and \$5,200,984, respectively.

### Inventory

Inventory, consisting primarily of food and beverage, is stated at the lower of cost or market. Cost is generally determined by the first-in, first-out (FIFO) method.

### Right-of-Use-Assets and Amortization

MEDCO has adopted a policy of capitalizing right-of-use assets held under lease liabilities as defined by GASB 87. These assets include leased facilities and equipment. The leased assets are recorded at the present value of the lease liability and amortized using a systematic and rational manner over the shorter of the lease term or useful life of the underlying asset. Right-of-use assets are evaluated for impairment on an annual basis under GASB Statement No. 51, Accounting and Financial Reporting for Impairment of Intangibles (GASB 51). GASB 51 requires an evaluation of prominent events or changes in circumstances affecting intangibles to determine whether impairment of an intangible has occurred. Such events or changes in circumstances that may be indicative of impairment include expedited deterioration of an associated tangible asset, changes in the terms or status of a contract associated with an intangible asset, and a change from an indefinite to a finite useful life. As of June 30, 2023 and 2022, management does not believe that any of the right-of-use assets of MEDCO meet the criteria for impairment as set forth in GASB 51.

### Right-to-Use Buildings and Amortization

In 2016, MEDCO was requested to assist in the development of a student housing project for Capitol Technology University. The land underlying the Project is subleased from CTU Foundation (which leases the land from Capitol Technology University) and title to the Project will revert to CTU Foundation upon termination of the sublease. MEDCO will operate and collect revenues from the Project for the duration of the lease term. In accordance with GASB 94, the arrangement between MEDCO and CTU Foundation qualifies as a SCA. GASB 94 requires that the Project recognize the cost of the student housing facility as an intangible asset, and amortize the asset using the straight line method over the shorter of the life of the ground lease agreement or the useful life of the asset. The intangible asset is reflected as right to use buildings in the accompanying statements of net position as of June 30, 2023 and 2022.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

### Right-to-use Buildings and Amortization – continued

MEDCO assists in the development of various student housing projects for the University System of Maryland. The land underlying the Projects is leased from the State of Maryland and title to the Projects will revert to the universities upon termination of the ground leases. In accordance with GASB 94, the arrangements between MEDCO and the universities qualifies as a PPP arrangement that meets the definition of a SCA.

MEDCO also assists in the operations of parking garages for the City of Baltimore and the City of Annapolis. The land underlying the Projects are leased from the City of Baltimore and Annapolis and title to the Project will revert to the City of Baltimore and City of Annapolis upon termination of the applicable lease. In accordance with GASB 94, the arrangement between MEDCO and the City of Baltimore and City of Annapolis qualify as PPPs that meets the definition of a SCA..

MEDCO will operate and collect revenues from the Projects for the duration of the lease terms. GASB 94 requires that the Project recognize the cost of the student housing facilities and parking garages as an intangible asset, and amortize the asset using the straight line method over the shorter of the estimated useful life or the life of the ground lease agreement. The intangible asset is reflected as right-to-use buildings in the accompanying statements of net position as of June 30, 2023 and 2022.

SCAs and PPPs are evaluated for impairment on an annual basis under GASB 51. As of June 30, 2023 and 2022, management does not believe that any SCAs or PPPs meet the criteria for impairment as set forth in GASB 51.

### **Capital Assets and Depreciation and Amortization**

Capital assets are carried at cost including interest, carrying charges, salaries and related costs incurred during the construction phase, and pre-construction costs, less accumulated depreciation and amortization. Depreciation generally is computed on the straight-line basis over the estimated useful lives of the assets. Useful lives are 40 years or the life of the operating lease for buildings and 3 to 15 years for furnishings and equipment. Improvements are generally amortized over the lesser of the terms of the related leases or the useful lives of the assets. Maintenance and repairs are expensed as incurred. Capital assets are evaluated for impairment on an annual basis under GASB Statement No. 42, Accounting and Financial Reporting for Impairment of Capital Assets and for Insurance Recoveries (GASB 42). GASB 42 requires an evaluation of prominent events or changes in circumstances affecting capital assets to determine whether impairment of a capital asset has occurred. Such events or changes in circumstances that may be indicative of impairment include evidence of physical damage, enactment or approval of laws or regulations or other changes in environmental factors, technological changes or evidence of obsolescence, changes in the manner or duration of use of a capital asset, and construction stoppage. As of June 30, 2023 and 2022, management does not believe that any of the capital assets of MEDCO meet the criteria for impairment as set forth in GASB 42. All costs are classified as construction in progress until the property is ready for its intended use, at which time the accumulated costs are transferred to the appropriate operating property or other accounts.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

### **Reserve Deposits**

Reserve deposits consist of amounts collected from the University of Maryland College Park (UMCP) for the UMCP Energy Project, to be used in accordance with the Project's respective service and management agreements. Reserve deposits totaled \$8,153,636 and \$8,476,542 as of June 30, 2023 and 2022, respectively.

### **Security Deposits Liabilities**

As of June 30, 2023 and 2022, security deposits had been collected from certain tenants and licensees. In some operating facilities the security deposit is refunded to the tenant with interest upon termination of the lease or license, provided no damages, claims or other charges are outstanding on the tenant's account. In other operating facilities the security deposit is applied to the tenant's first month's rent. Security deposits totaled \$595,902 and \$630,279 as of June 30, 2023 and 2022, respectively.

#### **Advances**

Advances represent funds received from third parties, which are non-interest bearing and are to be repaid or utilized in future years. Advances as of June 30, 2023 and 2022 are as follows:

Respective Operating Facility	Advancer of Funds	 2023	 2022
MEDCO - for the benefit of Maryland State Archives	Maryland State Archives	\$ 901,515	\$ 894,146
MEDCO - for the benefit of Howard County-Economic Development Authority	Howard County-Economic Development Authority	46,735	-
MEDCO - for the benefit of Maryland Department of Health	Montgomery County	-	382
MEDCO - for the benefit of University of Maryland College Park Child Care Facility	University of Maryland College Park	42,496	42,700
MEDCO - for the benefit of St. Mary's County	St Mary's County	126,360	-
MEDCO - for the benefit of University of Maryland College Park City Hall Project	University of Maryland College Park	277,721	591,180
MEDCO - for the benefit of National Institute of Standards and Technology	National Institute of Standards and Technology	198,302	300,259
MEDCO - for the benefit of National Park Service	National Park Service, US Department of Interior	1,318,309	1,308,661
Fayette Square Student Housing at University of Maryland, Baltimore (UMAB)	University of Maryland, Baltimore	80,507	-
Total Advances		\$ 2,991,945	\$ 3,137,328

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

#### **Net Position**

Net position is presented as either net investment in capital assets, restricted under trust indentures, restricted for capital and other purposes or unrestricted. Net investment in capital assets represents the difference between capital assets, right-to-use buildings and right-of-use assets and their related debt obligations. Net position restricted under trust indentures represents the remaining net assets of the operating facilities as all surplus funds are restricted as to their use under the terms of the respective trust indentures. The restricted for capital and other purposes component of net position represents funds held for use at the direction of the respective contributing third party. The unrestricted components of net position represent the net assets available for future operations, including Projects with a negative net position. The unrestricted components of net position include unrestricted – MEDCO and unrestricted – Projects. Unrestricted net position is reported in this format as MEDCO has no obligation to provide funding for Projects with a negative unrestricted net position.

#### **Deferred Outflows and Inflows of Resources**

A deferred outflow of resources represents a consumption of net position that applies to a future period and will not be recognized as an outflow of resources (expense) until a future period. As of June 30, 2023 and 2022, MEDCO recognized deferred advance refunding costs as a deferred outflow of resources on the accompanying statements of net position.

A deferred inflow of resources represents an acquisition of net position that applies to a future period and will not be recognized as an inflow of resources (revenue) until that time. As of June 30, 2023 and 2022, MEDCO recognized deferred advance refunding gains and deferred rents and fees, which do not meet the availability criteria, as a deferred inflow of resources on the accompanying statements of net position.

### **Revenue Recognition**

Revenues related to the leasing of apartments are recognized monthly over the terms of the leases. Revenues related to leasing of office buildings and other facilities are recognized in accordance with GASB 87 (Note 5). Revenues related to hotel room rentals, food and beverage sales and spa services are recognized when services are delivered. Revenues related to the delivery of energy to the University of Maryland are recognized upon delivery of services in accordance with the energy services agreement up to a maximum amount per year for capital recovery charges as defined in the related trust indenture. Revenue from parking fees is collected and recognized daily for transient parkers and monthly for long-term parkers as stipulated in their agreement. Revenue billed or received but not earned is shown as deferred inflow of resources in the accompanying statements of net position. All other revenue is recognized when the service is provided.

### **Deferred Rents and Fees**

Deferred rents and fees represent amounts received or receivable for future rental periods on leases or parking agreements in effect as of June 30, 2023 and 2022.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

### **Advertising Costs**

Advertising costs are expensed as incurred. Advertising expense totaled \$1,395,779 and \$1,167,677 for the years ended June 30, 2023 and 2022, respectively.

### **Classification of Revenues and Expenses**

Revenues and expenses related to the day-to-day activities of MEDCO are reported as operating revenues and expenses. Other revenue and expenses, consisting primarily of interest income and expense, gains and losses on sales and retirements of assets, settlement income, gain on extinguishment of management fee payable and bond issuance costs, are reported as non-operating revenues and expenses.

#### Reclassification

Certain amounts in the prior year's financial statements have been reclassified to conform to the current year presentation. The reclassification had no effect on previously reported revenues, expenses and changes in net position or net position.

#### **Subsequent Events**

MEDCO has evaluated for disclosure any subsequent events through October 23, 2023, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 2. RESTATEMENT

The accompanying financial statements as of and for the year ended June 30, 2022 have been restated to recognize the impact of GASB 87. The effects of the restatement as of and for the year ended June 30, 2022 are as follows:

Financial Statement Line Item	As Previously Reported	Effect of Restatement		As Restated
Deposits with bond trustees - restricted, current	\$ 23,715,088	\$	2,770,410	\$ 26,485,498
Leases receivable, current	483,807		13,342,000	13,825,807
Deposits with bond trustees - restricted, non-current	96,402,323		6,378,086	102,780,409
Leases receivable, non-current	3,536,231		97,483,000	101,019,231
Right-of-use-assets, net of accumulated amortization	40,083,999		7,656,321	47,740,320
Buildings and improvements	194,532,076		135,467,000	329,999,076
Accumulated depreciation and amortization	(186,674,226)		(27,255,091)	(213,929,317)
Accounts payable and accrued expenses	30,132,188		9,148,495	39,280,683
Lease liability, current	44,271,494		(2,537,134)	41,734,360
Bonds and notes payable, current	72,999,872		13,342,000	86,341,872
Lease liability, non-current	34,648,217		10,999,383	45,647,600
Bonds and notes payable, non-current	637,116,772		97,483,000	734,599,772
Deferred rents and fees	7,008,655		110,825,000	117,833,655
Lease revenue	545,256		13,180,000	13,725,256

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 3. DEPOSITS WITH BOND TRUSTEES - RESTRICTED

Pursuant to the provisions of the trust indentures relating to certain bonds payable (Note 10), deposits with bond trustees include the following reserve funds and restricted accounts as of June 30,:

	2023	2022
Current Assets:		
Working capital and operating expense funds	\$ 697,163	\$ 677,515
Revenue funds	6,977,853	6,653,112
Interest funds	8,666,247	8,435,058
Principal funds	10,579,308	8,475,799
Construction funds	1,224,895	=
Other funds	23,068,505	2,244,014
Current portion	51,213,971	26,485,498
Non-current Assets:		
Debt service reserve funds	56,538,685	43,374,208
Surplus funds	10,301,279	9,099,641
Repairs and replacement funds	21,290,747	18,983,340
Construction funds	76,597,853	23,736,155
Operating reserve funds	4,844,489	3,418,233
Capital reserve funds	841,695	3,494,714
Other funds	199,112	674,118
Non-current portion	170,613,860	102,780,409
Total deposits with bond trustees	\$ 221,827,831	\$ 129,265,907

The trust indentures authorize MEDCO or its trustee banks to invest the deposits as detailed under *Credit Risk* below. Interest earned on these investments totaled approximately \$7,562,000 and \$384,000 for the years ended June 30, 2023 and 2022, respectively. Investments of deposits with trustees are carried at fair value and include non-participating investment contracts (i.e., contracts which are not able to realize market-based increases or decreases in value under any circumstances) for which cost approximates fair value due to the nature of the contract.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 3. DEPOSITS WITH BOND TRUSTEES - RESTRICTED - continued

Investments of deposits with trustees are summarized as follows as of June 30,:

	2023	2022
Purchase and resale agreements:		
Bearing interest at rates from 5.76% to 6.36% and		
maturing through June 1, 2031	\$ 2,598,580	\$ 3,765,830
Guaranteed investment contracts:		
Bearing interest at 5.12% and maturing		
through November 9, 2025	94,981,613	_
Government obligations:		
United States treasury bills purchased at a discount		
and maturing through May 15, 2031	1,157,441	-
Money market funds:		
United States government money market funds	123,090,197_	125,500,077
Total deposits with bond trustees	\$ 221,827,831	\$ 129,265,907

The credit ratings of these investments were rated between AA1 and AA2 by Moody's and AA- and A+ by Standard and Poor's as of June 30, 2023. The credit ratings of these investments were rated between AA1 and AA2 by Moody's and A+ by Standard and Poor's as of June 30, 2022.

The deposits with bond trustees are subject to certain risks including the following:

Interest Rate Risk – The trustees have limited investments to money market, mutual funds and guaranteed investment contracts (GIC) that invest in U.S. government securities that can be liquidated at any time to meet the cash flow requirements of MEDCO, short term U.S. treasury notes which are subject to minimal interest rate risk due to their short term nature and fixed rate investment contracts and repurchase agreements that are guaranteed as to the face value of the investments as a means of managing interest rate risk. As a result, MEDCO is not subject to interest rate risk.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 3. DEPOSITS WITH BOND TRUSTEES - RESTRICTED - continued

Credit Risk – Trust indentures generally limit MEDCO's investments to obligations of the United States of America (Government Obligations) and certain defined federal agencies obligations provided they are backed by the full faith and credit of the United States of America, are not callable at the option of the obligor prior to maturity and are not subject to redemption at less than the par amount thereof; certificates of deposit and time deposits with commercial banks, trust companies or savings and loan associations secured by Government Obligations; obligations guaranteed as to principal and interest by the State of Maryland or any department, agency, political subdivision or unit thereof; United States dollar denominated deposit accounts with commercial banks in the State of Maryland; bonds or other obligations of any state of the United States of America, or of any agency, instrumentality or local government unit of any such state which are not callable at the option of the obligor prior to maturity; general obligations of states; investment agreements; repurchase agreements for Government Obligations; guaranteed investment contracts; commercial paper; public sector pool funds so long as MEDCO's deposit does not exceed 5% of the aggregate pool balance at any time; and money market or short-term Government Obligations. As defined in the trust indentures, certain investments listed above must meet specific requirements to be a qualifying investment, such as high rating qualifications based on information from the major rating agencies, collateralization requirements, guaranteed repayment, and maturity requirements. MEDCO's investments were in compliance with these limitations as of June 30, 2023 and 2022.

Concentration of Credit Risk – MEDCO's investment policy does not limit the amount that may be invested in any one issuer except for public sector pool funds as described under Credit Risk above. MEDCO held no investments in public sector pool funds as of June 30, 2023 and 2022.

Custodial Risk – MEDCO is not subject to custodial risk because mutual funds and GICs are not evidenced by securities that exist in physical form and all other deposits are held in MEDCO's name.

The trust indentures require certain of the Projects to establish renewal and replacement funds to provide cash reserves that will fund future capital additions and repairs and replacement of furnishings and equipment. These funds are to be segregated in a separate account within the trusts. As of June 30, 2023, the repair and replacement funds were underfunded at CBCC, \$295,000, Edgewood Commons Student Housing at Frostburg State University (Frostburg), \$678,500, West Village (Towson WV) and Millennium Hall (Towson MH) Student Housing at Towson University, \$2,025,000, Fayette Square Student Housing at University of Maryland, Baltimore (UMAB), \$109,000, Walker Avenue Student Housing at University of Maryland, Baltimore County (UMBC), \$190,000, Christa McAuliffe Student Housing at Bowie State University (Bowie), \$1,153,000 and University Village, \$850,000. As of June 30, 2022 the repair and replacement funds were underfunded at CBCC, \$313,000, Frostburg, \$405,000, Towson WV and Towson MH Student Housing at Towson University, \$1,416,000, UMAB, \$268,000, and University Village, \$597,400. As of October 23, 2023, the shortfalls have not been funded.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 3. DEPOSITS WITH BOND TRUSTEES - RESTRICTED - continued

Investments are measured and reported at fair value and are classified and disclosed in one of the following categories:

- Level 1 Quoted prices are available in active markets for identical investments as of the reporting date.
- Level 2 Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.
- Level 3 Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation.

The following table sets forth by level, within the fair value hierarchy, MEDCO's investments at fair value as of June 30, 2023:

	Level	. 1	Level 2	Level 3	Total
Investments by fair value level					
Guaranteed investment contracts	\$	- \$	94,981,613	\$ -	\$ 94,981,613
Debt securities					
Purchase and resale agreements		-	2,598,580	-	2,598,580
US treasury obligations	1,157	7,441	-	-	1,157,441
Total investments by fair value level	\$ 1,157	7,441 \$	97,580,193	\$ -	\$ 98,737,634

The following table sets forth by level, within the fair value hierarchy, MEDCO's investments at fair value as of June 30, 2022:

	Level 1		Level 2	Level 3		Total
Investments by fair value level						
Debt securities						
Purchase and resale agreements	\$	- \$	3,765,830	\$	- \$	3,765,830
Certificates of deposit		-	-		-	_
Total investments by fair value level	\$	- \$	3,765,830	\$	- \$	3,765,830

As described above, MEDCO's Level 1 and Level 2 investments are required to be invested in accordance with the trust indenture. As such they must meet specific requirements to be a qualifying investment, such as high rating qualifications, collateralization requirements, guaranteed repayment and maturity requirements. MEDCO's investments were in compliance with these limitations as of June 30, 2023 and 2022.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 3. DEPOSITS WITH BOND TRUSTEES - RESTRICTED - continued

MEDCO also invests in money market funds that have a remaining maturity of one year or less at the time of purchase. The investments in this fund are valued at cost, which approximates fair value, and is excluded from the scope of GASB 72, *Fair Value Measurement and Application*, and totaled \$123,090,197 and \$125,500,077 as of June 30, 2023 and 2022, respectively.

#### 4. LOANS RECEIVABLE

The loans receivable are due in periodic installments (generally monthly or quarterly) and generally provide for payments of principal and interest on the same terms as the debt issued to finance them. Substantially all of the loans have been assigned as security for the related notes or revenue bonds payable (Note 10).

Future payments on the loans receivable are due as follows as of June 30, 2023:

	 Total		Principal		terest
2024	\$ 27,000	\$	25,000	\$	2,000
2025	 26,000		25,000		1,000
Total	\$ 53,000	\$	50,000	\$	3,000

As of June 30, 2023 and 2022, there was one loan receivable totaling \$730,908 recorded in the accompanying financial statements, on non-accrual status and fully reserved. Balances due under this loan are not reflected in the table above.

#### 5. LEASES RECEIVABLE

The leasing operations of MEDCO consist primarily of the leasing of office buildings and other facilities.

During the year ended June 30, 2022, MEDCO implemented GASB 87 related to the leasing of office buildings and other facilities in which MEDCO receives rental income over the course of several years, as defined within each agreement, in which MEDCO is the lessor. GASB 87 requires lessors to present a lease receivable and deferred inflow of resources on the statements of net position. The lease receivable is measured at the present value of lease payments expected to be received during the lease term. The deferred inflow of resources is measured at the fair value of the lease receivable plus any payments received at or before commencement of the lease term that relates to future periods. The present value of lease payments is measured by using the discount rate implicit within each individual agreement or MEDCO's incremental borrowing rate, as determined by management. Interest income on the lease receivable is recognized on the straight-line basis over the term of each lease. Under GASB 87, the leases receivable totaled \$101,016,493 and \$114,845,038 as of June 30, 2023 and 2022, respectively. Interest income totaled \$1,853,862 and \$2,072,301 for the years ended June 30, 2023 and 2022, respectively, as reflected in the accompanying statements of revenues, expenses, and changes in net position.

The weighted-average remaining lease term is 7.66 and 8.55 years as of June 30, 2023 and 2022, respectively, and the weighted-average discount rate is 5.25% as of June 30, 2023 and 2022.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 5. LEASES RECEIVABLE - continued

The following table presents future minimum lease principal and interest to be recognized during the years ending June 30,:

	Total	Principal		Interest
2024	\$ 15,681,577	\$	14,116,826	\$ 1,564,750
2025	15,680,819		14,415,246	1,265,573
2026	12,837,876		11,887,532	950,344
2027	12,819,526		12,033,038	786,488
2028	12,735,021		12,115,265	619,756
2029-2031	37,331,546		36,448,586	882,960
	\$ 107,086,365	\$	101,016,494	\$ 6,069,871

### 6. RIGHT-OF-USE ASSETS

Right-of-use assets activity for the years ended June 30, 2023 and 2022 is summarized as follows:

2023	Beginning balance	Additions	Retirements	Ending balance
Buildings and improvements	\$ 53,742,539	\$ 179,988	\$ -	\$ 53,922,527
Less: accumulated amortization	(6,002,219)	(3,006,035)	W <del>2</del>	(9,008,254)
Right-of-use assets, net	\$ 47,740,320	\$ (2,826,047)	\$ -	\$ 44,914,273
2022	Beginning balance	Additions	Retirements	Ending balance
2022 Buildings and improvements		Additions -	Retirements	-
	balance	* - (3,014,122)	Retirements \$ -	balance

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 7. RIGHT-TO-USE BUILDINGS

Pursuant to GASB 94, the PPPs and SCAs between MEDCO and certain student housing projects of the University System of Maryland, CTU Foundation, the City of Baltimore and the City of Annapolis, the Projects have recorded a right-to-use buildings asset on the accompanying statements of net position. Under GASB 94, any costs of improvements made to the facilities during the term of the service concession arrangements increases the right-to-use buildings asset. The right-to-use buildings assets are required to be amortized in a systematic and rational manner. The Projects have amortized the right-to-use buildings assets using the straight-line method over the lesser of the term of the lease or the useful lives of the underlying assets to which the Projects have the right to use. The portion of the right-to-use buildings asset attributable to the underlying buildings and improvements is being amortized over a useful life of 17 to 39 years and 10 months using the straight-line method, and the portion attributable to furnishings and equipment is being amortized over 3 to 10 years using the straight-line method.

Right-to-use building activity for the years ended June 30, 2023 and 2022 is summarized as follows:

2023		Beginning balance		Additions	 Sales and retirements	Ending balance
Buildings and improvements Furnishings and equipment	\$	480,723,720 59,284,421 540,008,141	\$ 	76,007,179 6,996,275 83,003,454	 \$ (686,277) \$ (3,277,016) (3,963,293)	556,044,622 63,003,680 619,048,302
Less: accumulated amortization	_	(208,060,981)		(20,122,780)	 3,580,512	(224,603,249)
Right-to-use buildings, net	\$_	331,947,160	\$_	62,880,674	\$ (382,781) \$	394,445,053
2022		Beginning balance		Additions	 Sales and retirements	Ending balance
2022  Buildings and improvements Furnishings and equipment	 \$ -	0	- <b>-</b> \$ 	Additions  39,176,816 5,420,322 44,597,138		0
Buildings and improvements	_	<b>balance</b> 442,767,155 56,189,366	<b>\$</b>	39,176,816 5,420,322	 \$ (1,220,251) \$ (2,325,267)	480,723,720 59,284,421

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 8. CAPITAL ASSETS

Capital assets activity for the years ended June 30, 2023 and 2022 is summarized as follows:

2023	Beginning balance	Additions	Sales and retirements	Ending balance	
Buildings and improvements Furnishings and equipment Construction in progress	\$329,999,076 92,036,569 241,740 422,277,385	\$ - 4,326,741 (116,321) 4,210,420	\$ - (3,272,598) - (3,272,598)	\$ 329,999,076 93,090,712 125,419 423,215,207	
Less: accumulated depreciation	(213,929,317)	(21,567,449)	2,996,781	(232,499,985)	
Net capital assets	\$208,348,068	\$ (17,357,029)	\$ (275,817)	\$ 190,715,222	
2022	Beginning balance	Additions	Sales and retirements	Ending balance

### 9. OPERATING FACILITIES

Operating facilities in operation or development during the years ended June 30, 2023 and 2022 included the following:

- Annapolis Mobility and Resilience Project (Annapolis Garage), one parking garage located in Annapolis, Maryland. The project began operations in June 2023.
- Christa McAuliffe Student Housing at Bowie State University (Bowie), an apartment project located in Prince George's County, Maryland. The project accepted its first residents in September 2004.
- Bowie Mixed Use Facility Student Housing at Bowie State University (Bowie Mixed Use), an apartment project located in Prince George's County, Maryland. The project was completed and opened in August 2021.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 9. OPERATING FACILITIES - continued

- Baltimore City Garages (City Garages), three parking garages located in Baltimore, Maryland. The project began operations in August 2018.
- CTU Foundation Student Housing at Capitol Technology University (CTU), an apartment project located in Prince George's County, Maryland. The project was completed and opened in August 2018.
- Chesapeake Bay Conference Center (CBCC), a hospitality project located in Cambridge, Maryland. The project was completed and opened in August 2002.
- Edgewood Commons Student Housing at Frostburg State University (Frostburg), an apartment project located in Garrett County, Maryland. The project was completed and opened in August 2003.
- Owings Mills Metro Centre Garage (Metro Centre), a parking garage located in Owings Mills, Maryland. The project was completed and opened in December 2014.
- Morgan View (MV), Thurgood Marshall Hall (TMH) and the TM3 Project, also known as Legacy Hall (LH) throughout, Student Housing (Morgan) at Morgan State University, an apartment project located in Baltimore City, Maryland. Morgan View and Thurgood Marshall Hall were completed and opened in August 2003 and August 2022, respectively. Construction of Legacy Hall began in 2023 with total construction costs as of June 30, 2023 of approximately \$23,755,000. Legacy Hall is anticipated to open for occupancy in August 2024.
- University Park Phase I and II at Salisbury University (Salisbury), an apartment project located in Wicomico County, Maryland. University Park II was completed and opened in August 2004. In July 2012, MEDCO acquired University Park I.
- West Village (Towson WV) and Millennium Hall (Towson MH) Student Housing at Towson University, an apartment project located in Baltimore County, Maryland. West Village was completed and opened in August 2008. In July 2012, MEDCO acquired Millennium Hall.
- Fayette Square Student Housing at University of Maryland, Baltimore (UMAB), an apartment project located in Baltimore City, Maryland. The project was completed and opened in August 2004.
- Walker Avenue Student Housing at University of Maryland, Baltimore County (UMBC), an apartment project located in Baltimore County, Maryland. The first phase of the project was completed and opened in August 2003. The second phase of the project was completed and opened in August 2004.
- The University of Maryland, College Park, Energy and Utility Infrastructure Program (UMCP Energy), a program under which MEDCO leases land, certain energy conversion facilities and steam, electricity and chilled water delivery systems at the UMCP campus in Prince George's County, Maryland, and provides energy conversion, delivery and related services to UMCP. The Program began in August 1999.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 9. OPERATING FACILITIES - continued

- South Campus Commons and The Courtyards at University of Maryland, College Park (UMCP Housing), an apartment project located in Prince George's County, Maryland. The project consists of seven student residential housing buildings known as University of Maryland, College Park South Campus Commons and seven garden style apartments known as The Courtyards at University of Maryland, College Park. MEDCO originally acquired only South Campus Commons Phase II in July 2003, at which time development of the first of three building of that phase was substantially completed. It was opened to residents in August 2003. Construction of two additional buildings in the South Campus Commons Phase II was completed and opened to residents in August 2004. In April 2006, MEDCO acquired The Courtyards at the University of Maryland and South Campus Commons Phase I. In August 2008 construction began on a seventh student residential housing building in South Campus Commons which opened for occupancy in January 2010.
- University Village at Sheppard Pratt (University Village), an apartment project located in Baltimore County, Maryland. The project was completed and opened in August 2002.

The operating facilities are managed for MEDCO by independent management companies that provide management, administrative and other services pursuant to management agreements. The agreements generally provide for base and incentive fees and reimbursement of certain costs incurred by the managers in connection with the operation of the facilities.

Operating expenses of the operating facilities include fees to MEDCO (eliminated in consolidation) and totaled \$2,841,892 (including \$1,320,289 capitalized within capital assets) and \$2,220,496, for the years ended June 30, 2023 and 2022, respectively. Net non-operating expenses for the years ended June 30, 2023 and 2022 include interest expense related to debt service of operating facilities totaling \$43,406,947 and \$36,908,326, respectively.

The operating facilities are considered segments of MEDCO for financial reporting purposes. Financial statements of each facility in operation during the years ended June 30, 2023 and 2022 are included on the following pages:

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 10. DEBT OBLIGATIONS

Bonds and notes payable are summarized as follows as of June 30,:

	2023	 2022
Revenue bonds payable	\$ 935,027,477	\$ 807,274,338
Notes payable, including \$2,739 in 2023 and		
\$4,307 in 2022 to State of Maryland Department of		
Business and Economic Development (DBED)	 13,665,738	13,667,306
Total	\$ 948,693,215	\$ 820,941,644

The revenue bonds payable are secured by deeds of trust or mortgages on the related facilities and/or assignments of the related notes receivable or leases and, in most cases, irrevocable letters of credit issued by commercial banks. This debt matures at various dates through June 2059 and, as of June 30, 2023 and 2022, bears interest at a weighted average effective rate of 4.47% and 4.59%, respectively.

The notes payable are generally secured by mortgages on the related properties and/or assignments of the related notes receivable or leases. This debt matures at various dates through November 2032 and, as of June 30, 2023 and 2022, bears interest at a weighted average effective rate of 9.32% and 6.97%, respectively, including an average effective rate of 9.32% and 5.43%, respectively, on variable rate notes of \$9,000,000 for the years then ended. The interest rates on the variable rate notes are primarily based on the Prime Rate.

Total interest on bonds and notes payable totaled \$45,292,835 and \$38,988,877 during the years ended June 30, 2023 and 2022, respectively.

Bonds and notes payable are summarized as follows as of June 30,:

	 2023	 2022
MEDCO debt obligations	\$ 104,176,652	\$ 117,840,834
Operating facilities debt obligations	 844,516,563	 703,100,810
Total	\$ 948,693,215	\$ 820,941,644

Under terms of the related loan agreements, MEDCO has no obligation for the bonds and notes payable beyond the resources provided under the lease or loan with the party on whose behalf the debt was issued. Under terms of the facilities' loan agreements, holders of the operating facilities' debt have no recourse to other assets of MEDCO in the event that cash flows from the operation or sales of the facilities are not sufficient to service or repay the debt.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

### 10. DEBT OBLIGATIONS - continued

Future payments on the bonds and notes payable are due as follows for the years ending June 30,:

	Total		Principal	Interest

Additions	179,418,358	-
Principal payments/reductions	(49,236,452)	(1,568)
Balance June 30, 2023	\$ 935,027,477	\$ 13,665,738

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 11. CONDUIT DEBT

Under terms of the related loan agreements, MEDCO has no obligation for the conduit debt obligations beyond the resources provided under the lease or loan with the party on whose behalf the debt was issued. Activity in conduit debt excluded from the accompanying financial statements for the years ended June 30, 2023 and 2022 is summarized as follows:

Balance June 30, 2021	\$ 1,905,227,885
Additions Principal payments/reductions	740,545,000 (437,268,660)
Balance June 30, 2022	2,208,504,225
Additions Principal payments/reductions	3,184,625 (158,840,855)
Balance June 30, 2023	\$ 2,052,847,995

During the year ended June 30, 2023, MEDCO issued bonds on behalf of the Hospice of the Chesapeake, \$3,185,000, in order to finance costs of the issuance, renovations and capital replacements and improvements of the facility located in Anne Arundel County, Maryland.

During the year ended June 30, 2022, MEDCO issued bonds on behalf of the East Baltimore Development, Inc., \$69,990,000, in order to finance costs of the acquisition, construction, and capital asset improvements of facilities located in Baltimore City, Maryland, Maryland Department of Transportation, \$643,455,000 in order to finance the costs of constructing the Purple Line project in Baltimore City, Maryland, and the Catholic Relief Services, \$19,555,000, to refinance the costs of issuance, renovations and capital replacements and improvements of the Project by refunding the previously issued Series 2006 bonds.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 12. COMMITMENTS AND CONTINGENCIES

#### Leases

During the year ended June 30, 2022, MEDCO implemented GASB 87, which requires both capital and operating leases to be presented on the statement of net position as an amortizable right-of-use asset and a liability to make lease payments. The right-of-use-asset represents MEDCO's right to use an underlying asset for the lease term and lease liabilities represent MEDCO's obligation to make lease payments per the terms of the lease agreements. The lease liability is measured at the present value of payments expected to be made during the lease term, including variable payments that depend on an index or a rate (less any lease incentives). The lease asset is measured at the amount of the initial measurement of the lease liability, plus any payments made to the lessor at or before the commencement of the lease term and certain direct costs and is amortized over the lease term. The lease liability is measured by using the MEDCO's estimated incremental borrowing rate, as determined by management, in determining the present value of the lease payments. The amortization of the discount on the lease liability is reported as interest expense each period. MEDCO also considered any lease terms that included options to extend or terminate the lease, residual value guarantees, restrictive covenants and lease incentives when valuing the right-of-use assets. Service concession arrangements are specifically excluded from GASB 87. MEDCO, as well as University Village and CBCC, were impacted by the adoption of GASB 87 (see below). All other leases noted below at the specific project level were not impacted by the adoption of GASB 87, due to the nature of the service concession arrangements or immaterial amount of future ground lease payments.

### **Annapolis Garages**

In September 2022, MEDCO entered into a concession agreement with the City of Annapolis to operate a parking garage and additional parking assets, terminating at the earlier of 30 years and 6 months from the substantial completion date or the date on which the Series 2022 bonds are fully repaid. From on and after the commencement of the agreement, on each revenue share release date, as defined in the Common Terms and Collateral Agency Agreement (CTCAA), MEDCO shall pay to the City of Annapolis the amount of a distributable portion of the Revenue fund, as defined in the CTCAA (City Revenue Payment). If on any revenue share release date funds are not eligible, under terms of the CTCAA, to distribute the City Revenue Payment, the amounts shall remain in the account until eligible on any future revenue share release date. Variable costs are recognized in the period in which they are incurred and relate to taxes, utilities and operating expenses

The City Revenue Payment Expense for the year ended June 30, 2023 was \$0.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 12. COMMITMENTS AND CONTINGENCIES - continued

#### Leases - continued

#### **Bowie**

The land underlying Bowie is leased from the State of Maryland on behalf of Bowie State University (BSU) under a non-cancellable operating lease expiring on the earlier to occur of June 1, 2043 or the date on which the bonds have been fully repaid. Rent payable under the lease is equal to "net revenues," as defined. Payment of the rent is subject to the project meeting a coverage ratio and is subordinated to all payments required under the bonds payable and related trust indenture. Effective July 1, 2007, MEDCO entered into a Memorandum of Understanding with BSU that includes a cash basis calculation of ground rent expense and an evaluation of total ground rent due and accrued since the inception of the project. Payments of ground rent are limited to the amount of cash available in the surplus fund as of June 30 each year. If on any release date funds are not eligible, under the terms of the trust indenture, to distribute the ground rent, the amounts shall remain in the account until eligible on any future release date. Variable lease costs are recognized in the period in which they are incurred and relate to ground rent, taxes, utilities and operating expenses. Upon the expiration of the lease, the Project shall surrender and deliver up possession of the student housing facilities and any fixtures, structures and other improvements thereon, subject to and without any liability on the part of the Project for the then existing condition and state of repair of such property excepting the Project's obligations, as defined in the lease agreement.

Accrued ground rent will exceed ground rent expense to the extent that cumulative additions to ground rent expense are greater than the amount of cash available in the surplus fund for ground rent payments. Accrued ground rent will be reduced for ground rent payments and to the extent that negative ground rent expense can be credited against past due ground rent payments. Cumulative negative ground rent expense in excess of ground rent may be deducted against ground rent due and payable for the succeeding year and shall not be refundable. Ground rent expense was \$159,132 and \$1,749,020 for the years ended June 30, 2023 and 2022 and 2022, respectively. Ground rent payments from the surplus fund totaled \$495,105 and \$0 during the years ended June 30, 2023 and 2022, respectively. Accrued ground rent was \$1,413,047 and \$1,749,020 as of June 30, 2023 and 2022 and 2022, respectively.

The lease provides various conditions and restrictions on the use, operation and maintenance of the project and provides the State of Maryland, on behalf of Bowie State University, an option to purchase the project improvements for a price of \$1 plus the outstanding balance of the bonds payable (or other permitted debt) at any time during the lease term. Title to the project improvements will revert to the University System of Maryland upon termination of the lease.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 12. COMMITMENTS AND CONTINGENCIES - continued

#### Leases - continued

#### **Bowie Mixed Use**

The land underlying the Project is leased from the State of Maryland on behalf of Bowie State University (BSU) under a non-cancelable operating lease expiring on the earlier to occur of February 25, 2065 or the date on which the bonds have been fully repaid. Annual rent is equal to 100% of "net available cash flow" released during each lease year, as defined in the trust indenture. Payment of the rent is subordinated to all payments required under the bonds payable and related trust indenture. If on any release date funds are not eligible under the terms of the trust indenture, to distribute the ground rent, the Project can draw funds that they deposited in the operating reserve fund. When these funds are not sufficient, the operating reserve fund and MEDCO will advance matching funds to the Project, which bear interest at ten percent. Variable lease costs are recognized in the period in which they are incurred and relate to ground rent, taxes, utilities and operating expenses. Upon the expiration of the lease, the Project shall surrender and deliver up possession and without any liability on the part of the Project for the then existing condition and state of repair of such property excepting the Project's obligations, as designed in the lease agreement. Ground rent expense was \$1,958,000 and \$0 for the years ended June 30, 2023 and 2022, respectively.

The lease provides various conditions and restrictions on the use, operation and maintenance of the Project and provides the University System of Maryland, on behalf of BSU, an option to purchase the Project improvements for a price of \$1 plus the outstanding balance of the bonds payable (or other permitted debt) at any time during the lease term. Title to the Project improvements will revert to the University System of Maryland upon termination of the lease.

#### **City Garages**

In July 2018, MEDCO entered into an operating agreement with the City of Baltimore to lease three parking garages, terminating at the earlier of the 50<sup>th</sup> anniversary of closing or the date on which the Series 2018 bonds are fully repaid. From on and after the commencement of the lease, on each release date, as defined in the trust indenture, MEDCO shall pay to the City of Baltimore rent in the amount of a distributable portion of the Surplus Fund, as defined in the trust indenture (Additional Rent). If on any release date funds are not eligible, under the terms of the trust indenture, to distribute the Additional Rent, the amounts shall remain in the account until eligible on any future release date. Variable lease costs are recognized in the period in which they are incurred and relate to ground rent, taxes, utilities and operating expenses. Upon the expiration of the lease, the Project shall surrender and deliver up possession and without any liability on the part of the Project for the then existing condition and state of repair of such property excepting the Project's obligations, as defined in the lease agreement. The Additional Rent Expense was \$0 for both the years ended June 30, 2023 and 2022. As of June 30, 2023 and 2022, the accrued rent due to the City of Baltimore totaled \$200,918.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 12. COMMITMENTS AND CONTINGENCIES - continued

#### Leases - continued

#### **CTU**

The land underlying CTU is subleased from the CTU Foundation under a non-cancelable sublease expiring on July 14, 2067. Annual rent is equal to "net available cash flow," as defined, less certain defined amounts. Payment of the rent is subordinated to all payments required under the bonds payable and related trust indenture. Ground rent expense was \$0 for the years ended June 30, 2023 and 2022. Accrued ground rent totaled \$0 as of June 30, 2023 and 2022.

The sublease provides various conditions and restrictions on the use, operation and maintenance of the project and provides the CTU Foundation, on behalf of CTU, an option to purchase the project improvements for a price of the principal balance then outstanding of all sums secured by any leasehold mortgage in effect, plus any premium payable on such indebtedness, plus all interest accrued or to accrue on such indebtedness through the date of payment of such indebtedness, plus any other charges due and payable under the bond documents at any time during the sublease term. Variable lease costs are recognized in the period in which they are incurred and relate to ground rent, taxes, utilities and operating expenses. Title to the Project improvements will revert to CTY Foundation upon termination of the sublease.

#### **CBCC**

The land underlying CBCC is leased from Chesapeake Resort, LLC under a non-cancellable operating lease expiring on November 30, 2036 or on the termination date, as defined. Rent under the lease totaled \$40,000 per year until opening of the project on August 29, 2002. Thereafter, the annual rent is based on the fair market value of the land, as defined, and is subject to increase on August 29 of each year by the greater of 3% or 50% of the amount by which the Consumer Price Index increased during the year. The annual rent is subject to adjustments at the end of the fifth operating year of the project and at five-year intervals thereafter based on changes in the appraised fair market value of the land; however, the adjusted annual rent cannot be less than 103% of the rent in the preceding year. Payment of the rent is subordinated to all payments required under the project's series 2006 bonds payable and related trust indenture. Accrued and unpaid ground rent bears interest at 7% annually.

The Project also has various noncancelable operating lease agreements for office equipment with expiration dates through April 2028.

During the year ended June 30, 2022, the Project implemented GASB 87. Lease payments due totaled \$2,021,943 and \$1,973,342 for the years ended June 30, 2023 and 2022, respectively. Cumulative accrued lease payments included in the current portion of lease liability in the accompanying statements of net position as of June 30, 2023 and 2022 totaled \$29,236,634 and \$28,417,901 respectively, as payment of the ground rent is subordinate to all payments required under the bonds payable and related trust indenture. Future minimum rent payments for fiscal year 2024 include the accrued but unpaid rents for prior years of approximately \$28,356,000.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 12. COMMITMENTS AND CONTINGENCIES - continued

#### Leases - continued

#### **CBCC** – continued

Interest expense on past due accrued lease payments totaled \$2,075,023 and \$1,961,404, for the years ended June 30, 2023 and 2022, respectively, and is recorded in interest expense on the accompanying statements of revenues, expenses and changes in net position. Interest expense on the lease liability totaled \$1,182,604 and \$1,222,413 for the years ended June 30, 2023 and 2022, respectively, and is recorded in interest expense on the accompanying statements of revenues, expenses and changes in net position. Accrued interest on past due accrued lease payments totaled \$20,312,281 and \$18,237,258 as of June 30, 2023 and 2022, respectively, and is recorded in accrued interest on the accompanying statements of net position.

Cash paid for amounts included in the measurement of the lease liabilities totaled \$67,825 and \$74,012 for the years ended June 30, 2023 and 2022, respectively. No cash payments were made for ground rent during the years ended June 30, 2023 and 2022. Any cash payments received for ground rent are first applied to accrued interest and then to the amount of the accrued lease payments. The weighted average remaining lease term of the leases is 13.3 years and 14.4 years as of June 30, 2023 and 2022, respectively. The weighted average discount rate of the leases is 5.24% as of June 30, 2023 and 2022, respectively.

#### **Frostburg**

The land underlying Frostburg is leased from the State of Maryland under a non-cancellable operating lease expiring on June 17, 2042. Annual rent is equal to "net revenues," as defined, less certain defined amounts. Payment of the rent is subordinated to all payments required under the bonds payable and related trust indenture. Effective July 1, 2007, MEDCO entered into a Memorandum of Understanding with Frostburg State University that includes a cash basis calculation of ground rent expense and an evaluation of total ground rent due and accrued since the inception of the project. Payments of ground rent are limited to the amount of cash available in the surplus fund as of June 30 each year. If on any release date funds are not eligible, under the terms of the trust indenture, to distribute the ground rent, the amounts shall remain in the account until eligible on any future release date. Variable lease costs are recognized in the period in which they are incurred and relate to ground rent, taxes, utilities and operating expenses. Upon the expiration of the lease, the Project shall surrender and deliver up possession of the student housing facilities and any fixtures, structures and other improvements thereon, subject to and without any liability on the part of the Project for the then existing condition and state of repair of such property excepting the Project's obligations, as defined in the lease agreement.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 12. COMMITMENTS AND CONTINGENCIES - continued

#### Leases - continued

### Frostburg - continued

Accrued ground rent will exceed ground rent expense to the extent that cumulative additions to ground rent expense are greater than the amount of cash available in the surplus fund for ground rent payments. Accrued ground rent will be reduced for ground rent payments and to the extent that negative ground rent expense can be credited against past due ground rent payments. Cumulative negative ground rent expense in excess of ground rent may be deducted against ground rent due and payable for the succeeding year and shall not be refundable. Ground rent expense totaled (\$335,249) and (\$304,635) for the years ended June 30, 2023 and 2022, respectively. Ground rent totaled \$0 and \$335,249 as of June 30, 2023 and 2022, respectively.

The lease provides various conditions and restrictions on the use, operation and maintenance of the project and provides the State of Maryland, on behalf of Frostburg State University, an option to purchase the project improvements for a price of \$1 plus the outstanding balance of the bonds payable (or other permitted debt) at any time during the lease term. Title to the project improvements will revert to the University System of Maryland upon termination of the lease.

#### **Metro Centre**

The land underlying Metro Centre is sub-leased from Metro Centre Garage II, Ltd. under a non-cancellable operating lease expiring on April 30, 2054. The annual rent under this lease is \$10.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 12. COMMITMENTS AND CONTINGENCIES - continued

#### Leases - continued

### Morgan

The land underlying the Project is leased from the State of Maryland under a non-cancellable operating lease, as most recently amended, effective December 1, 2020, expiring on the earlier to occur of (ii) July 1, 2061 or (ii) the date on which the bonds have been fully repaid. Rent payable under the lease is equal to "net available cash," as defined in the lease. Payment of the rent is subordinated to all payments required under the bonds payable and related trust indenture. Payments toward ground rent are limited to the amount of cash available in the surplus fund as of June 30 of each year. Accrued ground rent will exceed ground rent expense to the extent that cumulative additions to ground rent expense are greater than the amount of cash available in the surplus fund for ground rent payments. Accrued ground rent will be reduced for ground rent payments and to the extent that negative ground rent expense can be credited against past due ground rent payments. Cumulative negative ground rent expense in excess of accrued ground rent may be deducted against ground rent due and payable for the succeeding year and shall not be refundable. Pursuant to the terms of the first amendment to amended and restated air rights and ground lease and agreement, dated November 1, 2022, annual rent shall not be due and payable with respect to the Project prior to the lease year ending June 30, 2025. The ground lease was modified such that annual rent shall be paid beginning for the lease year ending June 30, 2025. Ground rent expense totaled \$0 and \$1,476,651 during the years ended June 30, 2023 and 2022, respectively. Ground rent payments from the surplus fund totaled \$0 during the years ended June 30, 2023 and 2022. Accrued ground rent totaled \$2,371,839 as of June 30, 2023 and 2022.

The lease provides various conditions and restrictions on the use, operation and maintenance of the project and provides the State of Maryland, on behalf of Morgan State University, an option to purchase the project improvements for a price of \$1 plus the outstanding balance of the bonds payable (or other permitted debt) at any time during the lease term. Title to the project improvements will revert to Morgan State University upon termination of the lease.

#### Leases - continued

### Salisbury

Pursuant to the consolidated, amended and restated ground lease agreement entered into in July 2012, the land underlying Salisbury is leased from the State of Maryland on behalf of Salisbury University under a noncancellable operating lease expiring the earlier of June 25, 2043 or the date on which all of the bonds are fully repaid. Rent payable under the lease is equal to "net revenues," as defined. Payment of the rent is subordinated to all payments required under the bonds payable and related trust indenture. Effective July 1, 2007, MEDCO entered into a Memorandum of Understanding with Salisbury University, that includes a cash basis calculation of ground rent expense and an evaluation of total ground rent due and accrued since the inception of the project. Payments of ground rent are limited to the amount of cash available in the surplus fund as of June 30 each year. Accrued ground rent will exceed ground rent expense to the extent that cumulative additions to ground rent expense are greater than the amount of cash available in the surplus fund for ground rent payments. If on any release date funds are not eligible, under the terms of the trust indenture, to distribute the ground rent, the amounts shall remain in the account until eligible on any future release date. Variable lease costs are recognized in the period in which they are incurred and relate to ground rent, taxes, utilities and operating expenses. Upon the expiration of the lease, the Project shall surrender and deliver up possession of the student housing facilities and any fixtures, structures and other improvements thereon, subject to and without any liability on the part of the Project for the then existing condition and state of repair of such property excepting the Project's obligations, as defined in the lease agreement.

Accrued ground rent will be reduced for ground rent payments and to the extent that negative ground rent expense can be credited against past due ground rent payments. Cumulative negative ground rent expense in excess of accrued ground rent may be deducted against ground rent due and payable for the succeeding year and shall not be refundable.

Ground rent expense totaled \$252,512 and \$1,167,944 during the years ended June 30, 2023 and 2022, respectively. Ground rent payments from the surplus fund totaled \$743,475 and \$766,160 during the years ended June 30, 2023 and 2022, respectively. Accrued ground rent totaled \$1,226,774 and \$1,717,737 as of June 30, 2023 and 2022, respectively.

The lease provides various conditions and restrictions on the use, operations and maintenance of the project and provides the University System of Maryland on behalf of Salisbury University an option to purchase the project improvements for a price of \$1 plus the outstanding balance of the bonds payable (or other permitted debt) at any time during the lease term. Title to the project improvements will revert to the University System of Maryland upon termination of the lease.

#### Towson WV & MH

The land underlying Towson WV is leased from the State of Maryland under a non-cancellable operating lease, as consolidated, amended and restated on June 6, 2012, expiring the earlier of March 27, 2047 or the date on which the bonds have been fully repaid. The annual rent under the lease for the 2007 lease parcel (West Village Student Housing) is \$1. At closing for the 2007 bonds, a leasehold payment of \$1,750,000 was made to Towson University for the leasehold interest during the term of the ground lease for the 2007 lease parcel. This payment is being amortized to ground rent expense over the term of the bonds. If on any release date funds are not eligible, under the terms of the trust indenture, to distribute the ground rent, the amounts shall remain in the account until eligible on any future release date. Variable lease costs are recognized in the period in which they incurred and relate to ground rent, taxes, utilities and operating expenses. Upon the expiration of the lease, the Project shall surrender and deliver up possession of the student housing facilities and any fixtures, structures, and other improvements thereon, subject to and without any liability on the part of the Project for the then existing condition and state of repair of such property excepting the Project's obligations, as defined in the lease agreement. Accrued ground rent will exceed ground rent expense to the extent that cumulative additions to ground rent expense are greater than the amount of cash available in the surplus fund for ground rent payments. Accrued ground rent will be reduced for ground rent payments and to the extent that negative ground rent expense can be credited against past due ground rent payments. Cumulative negative ground rent expense in excess of Accrued ground rent may be deducted against ground rent due and payable for the succeeding year and shall not be refundable. Ground rent amortization expense was \$54,545 for each of the years ended June 30, 2023 and 2022. The annual rent under the lease for the 1999 lease parcel (Millennium Hall Student Housing) is equal to "net revenues" from the Millennium Hall facility, as defined. Ground rent expense for the 1999 lease parcel was \$0 for the years ended June 30, 2023 and 2022.

#### **UMAB**

The land underlying UMAB is leased from the State of Maryland on behalf of University of Maryland, Baltimore under a non-cancellable operating lease expiring the earlier of February 12, 2043 or the date on which bonds have been fully repaid. Rent payable under the lease is equal to "net revenues," as defined. Payment of the rent is subordinated to all payments required under the bonds payable and related trust indenture. Effective July 1, 2007, MEDCO entered into a Memorandum of Understanding with the University of Maryland, Baltimore. The terms of the Memorandum of Understanding include a cash basis calculation of ground rent expense and an evaluation of total ground rent due and accrued since the inception of the project. Payments of ground rent are limited to the amount of cash available in the surplus fund as of June 30 each year. If on any release date funds are not eligible, under the terms of the trust indenture, to distribute ground rent, the amounts shall remain in the account until eligible on any future release date. Variable lease costs are recognized in the period in which they are incurred and related to ground rent, taxes, utilities and operating expenses. Upon the expiration of the lease, the Project shall surrender and deliver up possession of the student housing facilities and any fixtures, structures, and other improvements thereon, subject to and without any liability on the part of the Project for the then existing condition and state of repair of such property excepting the Project's obligations, as defined in the lease agreement. No ground rent was due for the years ended June 30, 2023 and 2022.

The lease provides various conditions and restrictions on the use, operations and maintenance of the project and provides the State of Maryland, on behalf of University of Maryland, Baltimore, an option to purchase the Project improvements for a price of \$1 plus the outstanding balance of the bonds payable (or other permitted debt) at any time during the lease term. Title to the Project improvements will revert to the University System of Maryland upon termination of the lease.

#### **UMBC**

The land underlying UMBC is leased from the State of Maryland under a non-cancellable operating lease expiring on the earlier of June 5, 2042 or the date on which the bonds have been fully repaid. Real estate taxes, insurance and maintenance expenses are obligations of the Project. The Project is exempt from real estate taxes under Section 10-129 of the Economic Development Article of the Annotated Code of Maryland. The annual rent under the lease is \$1.

The lease provides various conditions and restrictions on the use, operations and maintenance of the project and provides the State of Maryland, on behalf of University of Maryland, Baltimore County, an option to purchase the operating facility improvements for a price of \$1 plus the outstanding balance of the bonds payable (or other permitted debt) at any time during the lease term. Title to the operating facility improvements will revert to the University System of Maryland upon termination of the ground lease.

### 12. COMMITMENTS AND CONTINGENCIES - continued

#### Leases – continued

### **UMCP Energy**

MEDCO leases the facility that houses the energy and utility infrastructure at the University of Maryland and the related land from the University System of Maryland under an operating lease expiring in 2029. The lease provides for annual rent of \$100.

### **UMCP Housing**

The land underlying UMCP Housing is leased from the State of Maryland under a non-cancellable operating lease expiring July 31, 2043. Annual rent is defined as "net revenues" less certain amounts, including, among other items, debt service on the bonds. Payment of the rent is subordinated to all payments required under the bonds payable and related trust indenture. Effective July 1, 2007, MEDCO entered into a Memorandum of Understanding with the University of Maryland, College Park that includes a cash basis calculation of ground rent expense and an evaluation of total ground rent due and accrued since the inception of the project. Ground rent expense totaled \$3,976,119 and \$4,361,954 for the years ended June 30, 2023 and 2022, respectively. Accrued ground rent totaled \$8,385,847 and \$8,793,057 as of June 30, 2023 and 2022, respectively. Payments toward ground rent are limited to the amount of cash available in the surplus fund as of June 30 of each year. If on any release date funds are not eligible under the terms of the trust indenture, to distribute the ground rent, the amounts shall remain in the account until eligible on any future release date. Variable lease costs are recognized in the period in which they are incurred and relate to ground rent, taxes, utilities, and operating expenses. Upon expiration of the lease, the Project shall surrender and deliver up possession of the student housing facilities and any fixates, structures and other improvements thereon, subject to and without any liability on the Project for the then existing condition and state of repair of such property excepting the Project's obligations, as defined in the lease agreement.

Accrued ground rent will exceed ground rent expense to the extent that cumulative additions to right-to-use buildings exceed cumulative draws made from the renewal and replacement fund. Accrued ground rent will be reduced for ground rent payments and to the extent that negative ground rent expense can be credited against past due ground rent payments. Cumulative negative ground rent expense in excess of accrued ground rent may be deducted against ground rent due and payable for the succeeding year and shall not be refundable. Additionally, at closing for the 2006 bonds, a leasehold payment of \$680,000 was made to the University for the leasehold interest during the term of the ground lease for the 2006 lease parcel. This payment is being amortized to ground rent expense over the term of the bonds and totaled \$17,934 for each of the years ended June 30, 2023 and 2022.

The lease provides various conditions and restrictions on the use, operation and maintenance of the project and provides the State of Maryland, on behalf of University of Maryland, College Park an option to purchase the project's improvements for a price of \$1 plus the outstanding balance of the bonds payable (or other permitted debt) at any time during the lease term. Title to the project improvements will revert to the University System of Maryland, upon termination of the lease.

#### Leases – continued

### **University Village**

The land underlying University Village is leased from Sheppard Pratt Health System, Inc. (SPHSI) under a non-cancellable operating lease expiring on June 30, 2041. Rent payable under the lease totaled \$885,500 in the initial lease year (which commenced July 1, 2001), and increases by 3% each lease year thereafter. Payment of the rent is subordinated to all payments required under the project's bonds payable and related trust indenture. Unpaid ground rent for the years ended June 30, 2008 through 2021 bears interest at 12.65% annually beginning 90 days after the end of the related lease year. Title to the operating facility improvements will revert to SPHSI upon termination of the lease.

During the year ended June 30, 2022, the Project implemented GASB 87. Lease payments due totaled \$1,647,291 and \$1,599,312 for the years ended June 30, 2023 and 2022, respectively. Cumulative accrued lease payments included in the current portion of lease liability in the accompanying statements of net position as of June 30, 2023 and 2022 totaled \$11,180,015 and \$10,724,465, respectively, as the payment of the rent is subordinate to all payments required under the bonds payable and related trust indenture. Future minimum rent payments for fiscal year 2023 include the accrued but unpaid rents for prior years of approximately \$13,262,000.

Interest expense on past due accrued lease payments totaled \$1,323,872 and \$1,171,443, for the years ended June 30, 2023 and 2022, respectively, and is recorded in interest expense on the accompanying statements of revenues, expenses and changes in net position. Interest expense on the lease liability totaled \$1,241,160 and \$1,260,499 for the years ended June 30, 2023 and 2022, respectively, and is recorded in interest expense on the accompanying statements of revenues, expenses and changes in net position. Accrued interest on past due accrued lease payments totaled \$4,278,389 and \$2,954,517 as of June 30, 2023 and 2022, respectively, and is recorded in accrued interest on the accompanying statements of net position.

Cash paid for amounts included in the measurement of the lease liability totaled \$0 for the years ended June 30, 2023 and 2022, respectively. Cash payments are first applied to accrued interest and then to the amount of the accrued lease payments. The weighted average remaining lease term of the lease is 19 years and 20 years as of June 30, 2023 and 2022, respectively. The weighted average discount rate of the lease is 5.0% as of June 30, 2023 and 2022, respectively.

#### **Other Leasing Activities**

Effective August 15, 2020, MEDCO entered into a lease agreement for office space that expires in April 2029.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

	\$	114,429,382		\$	87,373,245	_	\$	27,056,137	

#### **University System Operating Reserve**

In accordance with the Ground Lease Agreement, a Memorandum of Understanding effective July 2, 2003, and an Amended and Restated Memorandum of Understanding effective April 2, 2007, the Lessee (MEDCO) shall create, hold and maintain a single fund for all Projects, referred to in each Ground Lease as the operating reserve fund to be held and used in accordance with each Ground Lease and Memorandum.

From monies which otherwise would be rent, MEDCO is authorized to make, on behalf of the projects, annual deposits to the operating reserve fund on or before November 30 of each year in the amount of \$20,000 for each of the Bowie State University, Salisbury University and the University of Maryland, Baltimore projects, and commencing in November 2009, \$20,000 for the Towson University project, and commencing in November 2011, \$40,000 for the University of Maryland, College Park project; provided however, if the deposit of the full amount would cause the operating reserve fund to exceed the maximum amount per the Amended and Restated Memorandum of Understanding, the amount deposited under each ground lease shall be reduced proportionately.

As of June 30, 2023 and 2022, no deposits in lieu of ground rent have been made by MEDCO on behalf of the UMAB project to the operating reserve fund due to the fact that the project, since inception, has not incurred ground rent expense. As of June 30, 2023 and 2022 no deposit has been made by MEDCO on behalf of UMCP Housing, Salisbury, Towson WV and MH, and Bowie.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 12. COMMITMENTS AND CONTINGENCIES - continued

### **University System Operating Reserve – continued**

If any of the projects' revenues are not sufficient to meet permitted expenses as defined by the Memorandum of Understanding and the Amended and Restated Memorandum of Understanding, the project can draw funds that they deposited in the operating reserve fund. When these funds are not sufficient, the operating reserve fund and MEDCO will advance matching funds to the respective project, which bear interest at ten percent.

### Litigation

Various lawsuits and other claims occur in the normal course of business and are pending against MEDCO and its projects. Management, after consultation with legal counsel, is of the opinion that the lawsuits and other claims, when resolved, will not have a material effect on the accompanying financial statements.

#### 13. GOING CONCERN - CBCC

CBCC has an accumulated negative net position of \$226,771,000 and its current liabilities exceed its current assets by \$170,603,000 at June 30, 2023.

Pursuant to the fifth amendment of the restated and amended forbearance agreement effective July 1, 2021, the forbearance agreement effective May 1, 2014 was extended to December 31, 2023. The agreement, to the extent there is no event of default or forbearance termination event as defined, provides for a partial deferral of interest and principal payments owed under the bonds. During the forbearance period, no payments of interest are to be made from the debt service reserve fund unless directed by the bondholders. Upon expiration of the forbearance period, the deficiency between the interest and principal payments required to be made under the terms of the trust indenture and the amount available to be paid from funds deposited in the debt service trust accounts during the forbearance period shall be immediately due and payable. Effective September 1, 2021, MEDCO and Hyatt Corporation (HC) agreed to a waiver of deferred fees pursuant to a new hotel services agreement between MEDCO and HC.Under the terms of the letter agreement, HC agreed to forever waive any and all deferred fees, including any and all interest accrued thereon, the total of which the parties agreed was \$61,034,190, to which HC was entitled to under the management agreement. This amount has been recorded as a gain on extinguishment of management fee payable in non-operating revenues in the accompanying statements of revenues, expenses and changes in net position for the year ended June 30, 2022.

Management believes the projected future operating results of CBCC will provide CBCC with adequate cash flow to meet its operating needs; however, CBCC will not be able to make the current principal and interest payments on the bonds, which includes missed principal payments from December 2022, December 2021, December 2020, December 2019, December 2018, December 2017, December 2016, December 2015, December 2014 and December 2013 should the restated and amended forbearance agreement not be extended past its current expiration date of December 31, 2023. These factors create significant doubt about CBCC's ability to continue as a going concern.

Notes to Financial Statements For the Years Ended June 30, 2023 and 2022

#### 13. GOING CONCERN - CBCC - continued

The ability of CBCC to continue as a going concern is dependent upon a resolution with the bondholders regarding the outstanding bond principal payments. The financial statements do not include any adjustments that might be necessary if CBCC is unable to continue as a going concern.
