

# How to Use the External MEDCO Dashboard

## 1. Overview Tiles

At the top, you'll see summary tiles:

- Total Sites
- Total Awarded
- Jurisdictions Receiving Grants
- Filters: Site Characterization and Site Improvement

Tip: Clicking a filter updates the map to show only those sites. Double-click to reset.

## 2. Map Navigation

Jurisdiction Selector: Click on a county or 'Maryland' to zoom into that area.

Site Markers: Click a site marker to view:

- Site Details

## 3. Map Features

Satellite & 3D View: Similar to Google Maps.

1. Click a site → Select 3D View

Use map controls (bottom right) to:

- Tilt map down until you reach the appropriate height level
- Click the + zoom button; the r pushpin marks the site
- Rotate clockwise/counterclockwise for panoramic view

## 4. Site Information Box

Located at the top of the dashboard. Displays key details for the selected site.

- Filters and map are fully interactive.
